

Maths

In Maths our skills for Term 1 will be as follows:

- Place Value (Numbers to 10 million; Compare and order any number; Round any number; Negative numbers).
- Four Operations (Add and subtract integers; Multiply a 4-digit number by a 2-digit number; Short Division; Long Division; Common factors; Common multiples; Primes, Squares and Cubes; Orders of Operations).

Science

Our Science topic this term is Electricity. We will be planning different types of scientific enquiries revolving around electrical circuits and bulb brightness. We will be answering questions and recognising variables. We will also be learning how to set up a fair test, knowing what to change/measure/ observe and what to keep the same.

English

Our class texts in Term 1 will be 'Skellig' followed by 'The Viewer'. During English, we will be revising and learning grammatical terms including nouns, verbs, adjectives, adverbs conjunctions, subordinate clauses and much more. Through the units, which will be rich with oracy opportunities, we will be building up to writing a setting description and a diary entry using the aforementioned texts as inspiration!

History

In History, we will be learning all things World War II. We will explore the key themes surrounding the war and do dedicated lessons on the beginning and end of World War II, Rationing, Evacuation, D Day, the Blitz and much more.

Term 1 - Who has changed our world?

Art

Our Art focus is sketching in Term 1. We will use our topic as inspiration sketching WWII images.

RE

Our RE question is: What is the best way for a Muslim to show commitment to God?

PE

Our focus in PE this term is Control and Balance. We will hone our ball skills using either hand and dribble showing changes of speed and direction. We will also have expert PE coaching from Swindon Town Football Club community coaches.

PSHE

We follow JIGSAW in PSHE. Our focus for Term 1 will be 'Being Me In My World' where we will look at citizenship, role modelling and choices, consequences and rewards.

Geography

Geography will start in Term 2.

Computing

Our focus in Computing is systems and networks as we look at communication and collaboration on the internet. We will be establishing how data is transferred over the internet.
