

Rodbourne Cheney Primary and Nursery School

Handwriting Policy

2021/2022

Here is an example of the alphabet that the children will be learning.

Cursive Lower Case Letters

Handwriting Policy

At Rodbourne Cheney Primary Nursery School we are very proud of our pupil's handwriting and take particular care in our cursive handwriting style. We use Letter-join's on-line handwriting resource and Lesson Planners as the basis of our handwriting policy as it covers all the requirements of the National Curriculum.

Objective

Handwriting is a basic skill that influences the quality of work throughout the curriculum. By the end of Key Stage 2 all pupils should have the ability to produce fluent, legible and, eventually, speedy joined-up handwriting, and to understand the different forms of handwriting used for different purposes.

Our intention is to make handwriting an automatic process that does not interfere with creative and mental thinking.

Aims:

- To develop a neat, legible, speedy handwriting style using continuous cursive letters, which leads to producing letters and words automatically in independent writing.
- To establish and maintain high expectations for the presentation of written work.
- For pupils to understand, by the end of Year 6, the importance of neat presentation and the need for different letterforms (cursive, printed or capital letters) to help communicate meaning clearly.

Expectations

Consistency throughout the school

Pupils should experience coherence and continuity in the learning and teaching of handwriting across all school years and be encouraged to take pride in the presentation of their work. Our objective is to help pupils enjoy learning and developing their handwriting with a sense of achievement and pride.

Handwriting frequency

Handwriting is a cross-curricular task and will be taken into consideration during all lessons. Formal teaching of handwriting will be carried out regularly and systematically to ensure Key Stage targets are met.

Pens and pencils

Children will start handwriting using a soft pencil. When fine motor skills have been established a handwriting pen can be used.

Inclusion

For children who experience handwriting difficulties due to fine motor development, including those who are left-handed and those with special educational needs, the appropriate additional support will be put into place. Letter-join's Lesson Planners all include differentiation activities for extra practice/challenge.

Handwriting at Home

Pupils are encouraged to practise their handwriting at home by using the Pupil log-in for Letter-join. Teachers will set specific tasks such as:

- Magic Patterns
- Magic Words
- PhonicsMatch
- Word Search
- Word Bank
- Write it Right!

Children can also watch the word and letter animations and practice and explore other handwriting resources on Letter-join.

Key Stage Teaching

Early Years

For our youngest pupils we teach short handwriting lessons on a daily basis, which will include the following:

- enhancing gross motor skills such as air-writing, pattern-making and physical activities
- exercises to develop fine motor skills such as mark-making on paper, whiteboards, sensory trays, iPads, tablets, etc.
- becoming familiar with letter shapes, their sounds, formation and vocabulary
- correct sitting position and pencil grip for handwriting

Lesson Planner Module 1 for EYFS teaches pre-cursive patterns and cursive, lower case letters. It starts with Getting Ready for Handwriting including fine and gross motor skills warm-up exercises, correct sitting position and tripod pencil grip.

The first module is divided into three sections covering:

- pre-cursive patterns
- easy letters and words
- harder letters and words

At the end of this module, children should be able to recognise and form all the lowercase letters of the alphabet and write words using the correct joining techniques.

Key Stage 1: Years 1 and 2

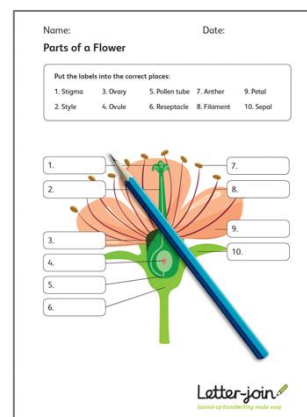

Teaching progresses from five short, to two longer lessons per week:

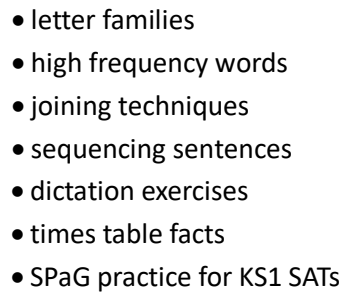

- continuing with gross and fine motor skills exercises
- strengthening cursive handwriting, learning and practice
- numerals, capitals and printed letters; where and when to use, learning and practice
- KS1 SATs SPaG exercises

Lesson Planner Module 2 for Year 1 contains lessons for teaching how to write capital letters, printed letters, numbers and symbols, whilst reinforcing cursive handwriting using Letter-join's on-line and printed resources. It is divided into three sections covering:

- capital letters
- printed letters
- numbers and symbols

On finishing this module, children should be confident in writing all the capital and printed letters, numbers and symbols and start to become familiar with their use.

Handwriting lessons will continue twice a week in Lower Key Stage 2.

[illegible]

A close-up photograph of a child's hands writing on a worksheet. The worksheet is titled "The Water Cycle" and contains several sections for writing, including "What is the water cycle?", "What are the stages of the water cycle?", and "What are the different types of clouds?". A blue fish illustration is visible in the top right corner of the worksheet. The child is using a yellow pencil to write.

EXAMPLE

Word of the Week: precarious

Write this week's word six times:

precarious	precarious	precarious
precarious	precarious	precarious

Use a dictionary to find the definition of this week's word:

If something is precarious, it is not safe and
likely to fall off or fall over.

Write some synonyms of this week's word:

insecure	risky	hazardous
treacherous	unsafe	dangerous

Write some antonyms of this week's word:

safe	fixed	strong
secure	protected	stable

Write a sentence using this week's word:

The cat was in a precarious position in the tree.
Beware: this cliff edge is precarious.
Take care on that precarious old ladder.
The stranded climber was in a precarious situation.

Letter-join

On concluding this module, children will have practised applying size-appropriate handwriting to all areas of the curriculum whilst maintaining fluency and legibility.

Upper Key Stage 2: Years 5 and 6

Handwriting will be taught as an intervention for those that need it. The following resources will be available:

- reinforcing cursive handwriting across the curriculum
- form-filling/labelling using printed and capital letters
- dictation exercises promoting quick note-taking and speedy handwriting writing skills
- KS2 SATs SPaG practice

Lesson Planner Module 6 for Year 5 continues to build on combining fluent handwriting with other subjects across the curriculum.

In this module, learners will have plenty of opportunity to develop the stamina and skills to write at length, with accurate spelling and punctuation. With Letter-join's wide range of resources they will be able to work towards producing consistently neat and well-presented handwriting in all curriculum subjects.

On completing this module, children should be producing cursive writing automatically, enabling them to focus on the content of their work rather than the process of writing.

Lesson Planner Module 7 Year 6 presents learners with a range of tasks where they have to decide on an appropriate style of handwriting. Promoting speedy, fluent writing continues to be a strong feature. Challenging dictation exercises will refine pupils' revising and checking skills as well as boosting their handwriting speed, stamina and fluency. A range of curriculum-based worksheets will give pupils the opportunity to practise writing at length.

Module 7 also contains a series of worksheets to aid KS2 SATs SPaG revision. They are designed to support year 6 pupils in meeting expected standards for spelling, punctuation and grammar, with lots of SPaG preparation and plenty of handwriting practice.

By the end of this module, children should be able to adapt their handwriting for a range of tasks and purposes and to create different effects. They should be clear about what standard of handwriting is appropriate for a particular task, for example, quick notes, a final handwritten version, an un-joined style or capital letters. All of these writing styles are covered in this module.

Correct posture and pencil grip for handwriting

Pupils should be taught to sit correctly at a table, holding a pencil comfortably and correctly.

SITTING POSITION

Paper position for right-handed children.

LEFT-HANDED CHILDREN

Left-handed children may find it difficult to follow the movements of right-handed teachers as they model letter formation (and vice versa). Teachers should demonstrate to left-handers on an individual or group basis.

- Left-handed pupils should sit to the left of a right-handed child so that they are not competing for space.
- Pupils should position the paper/book to their left side and slanted, as shown.
- Pencils should not be held too close to the point as this can interrupt pupils' line of vision.
- Extra practice with left-to-right exercises may be necessary before pupils write left-to-right automatically.

Paper position for left-handed children.

The Tripod Pencil Grip

Both right and left handed children should be encouraged to use the tripod grip which allows the pen/pencil to be held securely whilst allowing controlled movements of the pen/pencil nib. We use the Tripod Grip Rhyme:

Right-handed pencil grip

Point away the pencil,

Pinch it near the tip,

Lift it off the table,

Spin it round...

and grip.

Left-handed pencil grip

Point away the pencil,

Pinch it near the tip,

Lift it off the table,

Spin it round...

and grip.
