Statement of intent

Roose Community Primary School is a vibrant, enthusiastic, forward-thinking and safe learning environment in which pupils are given every opportunity to complete a fulfilling education.

We believe that homework plays an important part in education and developing a love of independent learning at an early age supports independent study in the future.

We are also aware that pupils have opportunities and experiences outside of school that are equally important in developing and enriching their lives. We will give careful consideration to ensuring homework is well-balanced across the school.

This policy was developed in consultation with staff members, parents and pupils, and with the full agreement of the governing board.

Aims

This policy aims to:

- Develop a consistent approach to homework throughout the school.
- Make sure that teaching staff, parents and pupils are aware of their responsibilities with regards to homework.
- Ensure that parents understand what is expected of their child.
- Encourage pupils to develop the responsibility and self-discipline required for independent study.
- Embed knowledge and support pupils' learning experiences via revision and reinforcement.
- Work with parents and involve them in their child's learning, and to keep them informed about the work their child is undertaking.
- Use homework as a tool for raising standards of attainment.
- Extend learning beyond the classroom.
- Give pupils further practise and a deeper understanding of skills, knowledge and concepts learned during the school day.

3. The school's approach to homework

The school understands that setting and providing feedback on homework is a large contributor to the workload of teachers; therefore, teachers will ensure that homework is only set to positively impact pupils' progress and may not be formally marked.

Homework may be uploaded on to Compass where pupils and parents can view homework tasks, reducing printing costs and the number of lost homework sheets.

Teachers will explain the school's approach to homework to parents at the parents' meeting in September.

The school website will inform parents about the main topics and units of work being covered.

Pupils will use homework books to complete their homework or will be issued with a homework folder to keep their homework neat and organised.

Pupils will receive homework on a weekly basis which will be returned at the time and date as specified by the class teacher.

The amount of homework set for pupils will increase as they progress through their education.

Teachers will occasionally set extra homework for the whole class if they deem it beneficial.

The table below shows expected homework. Tasks may be set in addition to the below activities.

Example of homework to expect however this may change due to staff illness, other activities happening in school or other homework planned.

4. Absences

If a pupil is absent from school due to illness or medical reasons, the school will not supply work for these periods – pupils should be well enough to undertake any work supplied.

There may be exceptions to the above and the classroom teacher will decide whether homework should be set on a case-by-case basis.

If a pupil is absent for a long period of time, the teacher and the parents of the pupil will agree on what should be done and how much help should be provided.

5. Pupils who fail to complete homework

All pupils will be expected to complete homework on time because homework that is set will be beneficial to learning.

Pupils will be encouraged to complete homework through the school's positive behaviour management methods.

Teachers will make efforts to support pupils who are struggling to complete homework.

6. Marking homework

The majority of homework is unlikely to need marking or can be marked at home with parents or by the child. Sometimes homework may be marked in class by pupils. Teachers will look at homework and give verbal feedback when necessary.

7. Pupils with SEND

A balanced approach to homework will be adopted for pupils with SEND, in consultation with the pupil's parents and the SENCO.

Where appropriate, the school will set adjusted or specific tasks for pupils with SEND as outlined in their individual education plans.

While pupils with SEND may benefit from differentiated tasks separate from the homework received by other pupils, they will also complete as much standard homework as possible.

Pupils with SEND will be supported in accordance with the school's SEND Policy.

8. Equal opportunities

The school will ensure that it provides the full range of opportunities for all pupils, regardless of gender, sex, disability, sexual orientation, ethnicity and social, cultural or religious background.

All pupils will have equal access and inclusive rights to the curriculum regardless of their gender, race, disability or ability.

9. Monitoring and review

This policy is reviewed annually by the headteacher.

Any updates to this policy will be shared with parents, pupils and staff.

The scheduled review date for this policy is September 2027.
