## Newsletter June 2023

*'As a Caring Community, we learn and grow'.*

Dear Parents/Carers and Roose Families,

I hope you have all been enjoying this wonderful sunshine we have been having. The children will all be benefiting from being able to play outside and having fun with their friends.

This half term is always incredibly busy at school as we prepare for the end of the school year whilst thinking about September and our new starters. Here are some reminders and updates of what is happening in school over the next few months. Please check carefully for key dates and information about what is going on.

### Holidays during term time

Please can we strongly urge families not to take holidays during term time as this affects your child's learning and impacts on their overall attendance and the school's attendance data. Many children have had a great deal of time off sick this year so have already missed time out of learning because of this. Thank you for your support.

Here are the dates of events and activities taking place...
