ENGLISH

The Dragon machine by Helen Ward

To write a story based upon the model text using own ideas for a change of character and machine

PE

Dance - To different stories/traditional tales
Invasion Games - passing and receiving, as well as developing balance, agility and co-ordination, and begin to apply these in a range of activities.

SCIENCE

Everyday materials

Find out how the shapes of solid objects made from some materials can be changed by squashing, bending, twisting and stretching. Identify and compare the suitability of a variety of everyday materials, including wood, metal, plastic, glass, brick, rock, paper and cardboard for particular uses.

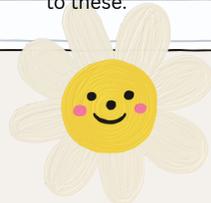

RE & PSHE

Value - Care

Valuing each others differences

- What makes us who we are?
- My special people
- How do we make others feel?
- When someone is feeling left out
- An act of kindness
- Solve the problem

RE - Islam The meanings of and the attributes shown by the 99 names of Allah and how a Muslim may want to show respect to these.

COMPUTING

Creating Media - Making Music

We will listen to a variety of pieces of music and consider how music can make us think and feel. We will compare creating music digitally and non-digitally. We will look at patterns and create music.

MUSIC & ART

Charanga -

As well as learning to sing, play, improvise and compose with this song, children will listen and appraise classic Rock songs.
ART - We will respond to music to explore line, colour and space. Use traditional painting tools as well as make their own to manipulate the paint they work with.
