'As a Caring Community, we learn and grow'

Dear Roose Families,

We hope you enjoyed a lovely week off in half term, despite the showers! A big thank you to everyone for coming along to our big family picnic on the last Friday. It was a great success and the children thoroughly enjoyed themselves.

Please check the dates list at the end of this letter, so you don't miss any important information or events.

Staffing for next year

We are having a move around of teaching staff and support staff – some staff are moving this year and some the following year. The teachers are excited about the move and are already planning and getting organised for the changes! There will be a transition morning for the children on Monday 30th June where they will spend the morning in their new classroom with their new teacher and support staff. They will take part in some fun activities to allow their teacher to get to know them, ready for September.

We are very excited to tell you that Miss Lois Taylor is expecting a baby in October 2025 and will be on maternity leave from the end of September. For this reason, she will not be teaching year 1 with Mrs Andrews and we will be appointing someone into this role for the full school year.

Staffing in September 2025		
Year group	Teacher	Teaching assistants
Reception	Miss Kaye Halligan	Mrs Anna Beardworth Miss Gia Ng Miss Elaine Montgomerie Miss Rowan Fenton
Year 1	Mrs Dawn Andrews Another teacher tbc	Miss Julie Harrison Miss Lois Miles Mrs Emma Neto Mrs Kim Archer

Roose Nursery

Please note that Roose Nursery is over-subscribed at the moment. Children are being put on the waiting list far in advance for a place.

School Visits

The staff have been busy planning lovely visits for the children to go on. These are listed on the dates overleaf. Please can we ask that you pay promptly for these. Our school budget is being squeezed and we need to receive enough voluntary contributions or we will be unable to offer these additional trips. **We are currently owed £1228.20 in unpaid amounts for trips and swimming for this academic year.**

School uniform

A reminder that the children should have school shoes on during the summer months – we have seen an increase in trainers being worn to school.

Parking

As you will see, we have some great banners displayed outside school to encourage everyone to think about parking safely. We encourage families, particularly those with big vans, to park in Roose Sports car park and walk through the cutting, to reduce the amount of traffic outside school. Please can we ask that you do not drop off on the zigzags or at the gate and that you do not park right on the junction opposite the school gate as this causes problems with the traffic flow. Thank you.

Sports Mornings

With swimming being on a Friday afternoon, so we can fit all our sessions in, we have had to move sports day to a Thursday morning for this year. We understand this may be trickier for people to attend but hope you may be able to join us. There will be lots of photos shared online via our website if you can't make it. A separate letter will be sent out about sports day next week. We are aiming to start as close to 9am as possible. Please bring a rug or chair to sit on for the morning. The PTA will be selling refreshments so please bring some money too!

Vaping

We have noticed an increasing number of parents who are vaping on school premises – either in the playground or field when we have held events. Please do not vape on school grounds as it is not permitted – thank you.

Dates for summer term – some still to be added! See the next page....
