What's it all about?

Now in its 13th year, our popular Primary Schools Book Award and reading challenge will run during Spring Term 2020.

From the hundreds of brilliant books published during 2019, we have arrived at a shortlist of 11. It is up to pupils to vote for their favourite to win. The award is aimed at years 5 & 6.

Our aim is to create enthusiasm and excitement about reading and to support the wider reading agenda in school. The book list has been carefully selected to cater for a range of abilities and interests that will appeal to both boys and girls in years 5 & 6.

It's free for all LEA schools and subscribing academies. There is a small admin charge for non-subscribers.

How will it work?

Each child will be given a passport with a different sticker to collect every time they finish a book.

Schools will need to purchase set(s) of the shortlisted titles. Hills Books are offering a 30% discount with free plastic jackets if you order through us. Cost per set is £55.00.

Books, passports and stickers will be delivered in early January. Pupils can then start to read as many books from the shortlist as possible.

Children can take part in online discussions about the books via our Spellbinding website. There are also downloadable pupil activities and teachers resources. Visit spellbindingcumbria.org.uk/primary/ to see last years content. Voting will take place after the Easter holidays.

So why not sign up today and get your school involved....

Cousins, Dave **My Babysitter is a Robot**

The twins decide they have to do something before everyone realizes that Robin is a robot. But getting rid of their new babysitter will mean putting aside their sibling squabbles and working together, which might be an even bigger challenge...A fun lower level text to encourage reluctant or less able readers.

And as for that old saying about how you can't teach an old dog new tricks - it's true, you really can't!
