Invasion Games - passing and receiving, as well as developing balance, agility and co-ordination, and begin to apply these in a range of activities.

SCIENCE

Everyday materials
Find out how the shapes of solid objects made from some materials can be changed by squashing, bending, twisting and stretching. Identify and compare the suitability of a variety of everyday materials, including wood, metal, plastic, glass, brick, rock, paper and cardboard for particular uses.
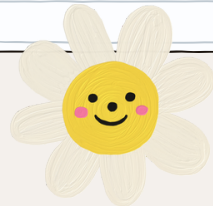

RE & PSHE

Value - Care
Valuing each others differences
- What makes us who we are?
- My special people
- How do we make others feel?
- When someone is feeling left out
- An act of kindness
- Solve the problem

RE - Islam
Does praying at regular intervals help a Muslim in his/her every day life?

COMPUTING

Creating Media - Making Music
We will listen to a variety of pieces of music and consider how music can make us think and feel. WE will compare creating music digitally and non-digitally. We will look at patterns and create music.

MUSIC

Charanga -
As well as learning to sing, play, improvise and compose with this song, children will listen and appraise classic Rock songs.

Singing assemblies - The children will continue to sing and sign using makaton.

HAPPY New year
