

Make a model of a climbing frame

This challenge is to create a model of a climbing frame that could be built in a playground.

Consider using these materials to make your model:

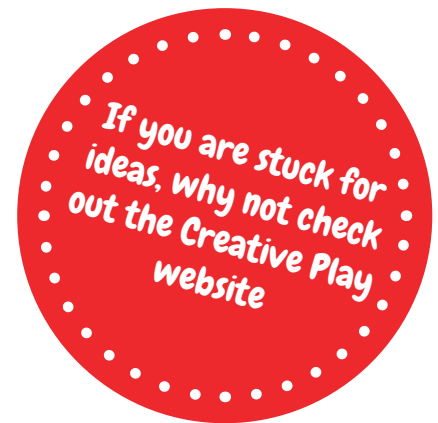

Playdough, Plasticine, Matchsticks, Lolly Sticks, Straws, Blue Tack, Clay, Glue or why not try making your own salt dough?

Think about your favourite climbing frame

Photo or Drawing of your chosen climbing frame

Photo of your model

Send us photos of you doing this via social media use #GetCreativePlaying
