Newsletter April/May 2024

'As a Caring Community, we learn and grow'

Dear Roose Families,

We hope you managed to enjoy some quality family time over the holidays and that the children had some fun and a rest too! Thankfully the sun has been out this week and it's starting to warm up.

We love the summer term at Roose School. We are hoping to get on our lovely field soon and enjoy lots of events and activities outside.

This term we already have lots of things planned, please read the newsletter carefully and keep hold of it so you know when events are taking place!

Attendance

Thank you to everyone who is being conscious of any time off school. We understand there has been high levels of illness last term and appreciate all your support with keeping holidays to school holiday time only.

Marvel the Therapy Dog

After the success of last half term with visits from Marvel, we have arranged for another half term of sessions for some small groups of children. Mrs Redhead has contacted all those families of children who are taking part.

Wellness at Greenacres

We continue to use this fantastic facility to support small groups of children and individuals. The work at

Greenacres focuses on support for confidence and anxiety.

Sponsored Reading Event

Thank you for your incredible support you gave to this important local charity. Roose School raised well over £1000 and Team Evie are delighted with our effort. It is so great for the children to take part in charitable events and learn the value of giving.

Life Education Visit

We are excited to be welcoming Life Education Lancashire to run a series of PSHE/RSE workshops with the children next week. A separate letter has gone home about this. There is a short session for parents on Wednesday 24th April from 8.45 – 9am if you would like to find out more about the workshops. Please come to the school hall.

Lake District Summer Music Festival workshops

We are delighted that our year 4 class has been chosen to take part in a series of free workshops as part of the Lake District Summer Music Festival. This will involve working with musicians to compose and create and is a fantastic opportunity for them.

Parent Meetings

Thank you to everyone who attended parent meetings last term. If you were unable to make an appointment, please contact your child's teacher.

Roose Nursery – Messy Craft Play

Nursery are fundraising towards the purchase of a new sensory room and are running a messy play session in

the school hall on Saturday 18th May. Please phone nursery to book and see attached poster.

New Starters

Places have now been announced for our reception class in September 2024 and we are delighted to welcome all our new starters. We will be in touch soon after the appeals date in May to let families know about transition arrangements and meetings.

Year 4 and BAE

Year 4 had a fantastic day yesterday when they had a VR Headset workshop with BAE. They then went to watch the naming of the new boat at the docks – a fantastic experience for them all. A big thank you to BAE Systems for providing this super opportunity for them.

Please remember we are here to help and offer advice so do contact us if you need help with anything.

Kind regards,

Jenny Redhead, head teacher

Dates for the term on the next page.....
