

Dear Parents/Carers

The Free School Meal FSM Voucher system has been set up. The first vouchers will come to eligible families on 20th of April. I need to clarify eligibility for you as I have had quite a few families complete the form for me who are not eligible. The vouchers are not for children who receive a Universal Free School Meal UFSM (UFSM is the meal that all children get if they are in Reception Class, Year 1 or Year 2) It is just for those who would be entitled to a FSM anyway, so those children in Year 3 to Year 6 who get a FSM and those children from Reception to Year 2 who would get a FSM if the UFSM didn't exist. It is means tested and you would have registered for this. Some of you may be entitled to this and have not yet registered. If you would like support registering then contact

or visit this website here:

The voucher system does not cover the holidays. As a school we are still providing grab bag packed lunches over the Easter for the FSM families who need them. We are also willing to support other families if they are in need.

Thank you for your support
