

Return to school Reception A

The Reception Class will return to school from June 9th. On the return to school there will be a member of staff present to guide you to the entrance and advise on entry to the building and how to queue on entry if required. We ask that you maintain social distancing the whole time. Only one adult can accompany their child onto school grounds and you will need to drop your child at the door. Entry into the building is not permitted for parents. Once you have dropped off your child you must vacate the site. The procedures do sound strict and they go against everything we would normally encourage but we have to follow the guidelines to ensure we reduce any risks. I apologise for this in advance but I know it's necessary and I know that you will understand and support us.
