

## PE and Sport Action Plan

*This document will be added to throughout the year to ensure that the Sports Premium funding is spent in the most beneficial way for the school and its pupils. This document highlights what the school intend to spend the money on, not including the costs of attending competitions.*

<u>Intent</u> What we need to do?	<u>Implementation</u> How will we do it?	<u>Impact</u> How will we know it has been effective?
Improve the attendance at sports clubs, particularly KS1 and UKS2	Offer a wide range of clubs Use pupil voice to discover which clubs might entice more children to join	Percentage across the school of those attending clubs will increase (currently 72%)
Improve the impact of the Sports Crew on the whole school	Application process Increase responsibility: Assisting during after school clubs Running competitions during Golden Time Acting as a voice for their peers Run more intra-school competitions Introduce a uniform for Sports Crew	Sports Crew will be more involved in school sport Pupil interviews
Improve the swimming provision by offering catch-up sessions	Year 3 children to access swimming until they're confident. Provision then offered as a catch-up to older children who didn't achieve the objectives in Year 3	Percentage of children in Year 6 achieving objectives will increase.
Improve the assessment of PE lessons	SM will trial systems to find a way which is informative, but not too onerous.	System will be rolled out to staff once agreed upon. Staff will have a greater understanding of their class
Improve 'personal best' agenda	Children set their own targets for improvements Lunch time challenges (Sports Crew)	Children are more competitive Popularity of activities
Increase links to local clubs	SM to contact local clubs to try and offer taster sessions with an aim of recruiting members	Keep a record of how many clubs get involved Check how many children join the clubs
Increase parental links with clubs	Offer clubs open to parents and children Use Class Dojo to promote	Photos More parental involvement in school activities
