

Unit Title: Why do we remember Mary Anning?

Y2
Autumn 1

End Point - The aim of this unit is for pupils to:

- Name and locate the four countries and capital cities of the UK
- Name and locate the seas surrounding the UK
- Know the main physical features of the Jurassic Coast
- Locate Lyme Regis, Robin Hood's Bay and Middlesbrough on a map

End of unit assessment task:

Label a map of the UK, including key locations studied and its surrounding seas
Label a larger scale map of the Lyme Regis coastline with its physical and human features
Display/exhibit our findings (linked to history outcome)

Links:

History - the lives of significant individuals in the past who have contributed to national and international achievements
Text – 'Stone Girl Bone Girl' – Laurence Anholt

Prior Learning:

- Name and locate the four countries of the UK and their capital cities
- Name and locate Middlesbrough
- Understand what a physical feature is
- Understand what a human feature is
- Know the four compass points

Key Aspects of the Unit:

Map and atlas work/Fieldwork and investigation

Location

Physical Features: Understand that physical features are natural features in an environment. Understand that physical features can include: beach, cliff, coast, forest, hill, mountain, sea, ocean, river, soil, valley, vegetation, season and weather and volcanoes.

Human Features: Understand that human features are features in an environment that have been made by people. Understand that human features can include: city, town, village, factory, farm, house, office, port, harbour and shop.

Key Knowledge:

- Revisit the four countries of the UK and their capital cities
- Name and locate the surrounding seas of the UK
- Use the four compass points to describe the location of the seas surrounding the UK in relation to the countries they are next to
- Locate Lyme Regis, Robin Hood's Bay and Middlesbrough
- Describe their relative location to each other using the four compass points
- Locate the Jurassic coast on the coast of the South of England
- Locate Lyme Regis on the Jurassic coast
- Compare the location of the Lyme Regis to Robin Hood's Bay and Middlesbrough
- Identify the physical features of the coast in Lyme Regis and Robin Hood's Bay
- Identify the human features on the coast in Lyme Regis and Robin Hood's Bay

Geographical Skills:

Mapping:

- Locate the Jurassic Coast and Lyme Regis on a larger scale map
- Use a basic atlas/globe/map of the UK to locate places (countries of the UK and their capital cities)
- Begin to use aerial/satellite photos to locate and identify local landmarks features
- When using digital maps, know that when you 'zoom in' you see a smaller area in more detail
- Use aerial/satellite photos
-

Fieldwork:

- Engage in teacher-led/guided enquiries: Look at the local park on maps relating to aerial photo and real life. How do they feel about different areas and what improvements could be made?
- Use simple locational and directional language and compass directions to describe features and routes (e.g. left/right from own perspective, NSEW).
- Use first-hand observation to comment on features/patterns/similarities and begin to measure using standard units
- Use a compass (four compass points) to follow and describe routes

Vocabulary

capital city	The city where the government sits. London is the capital city of England/UK.
city	A large town. London is an example of a city.

country	An area of land that is controlled by its own government.
Great Britain	An island that is made up of England, Scotland and Wales.
harbour	A sheltered port so that boats can be left there safely.
island	A piece of land that is completely surrounded by water.
landscape	Everything you can see when you look across an area of land, including hills, rivers, buildings, trees and plants.
map	A drawing of a particular area such as a city, a country or a continent.
sea	A large area of salty water
tourist	A person who is visiting a place for pleasure and interest, especially when they are on holiday.
town	A large group of houses, shops and buildings where people live and work. Towns are larger than villages but smaller than cities.
United Kingdom	The UK is officially known as the United Kingdom of Great Britain and Northern Ireland. It includes England, Scotland, Wales and Northern Ireland.
