

Roseberry Academy – Parent Testimonials

My daughter started Roseberry Academy Nursery just before she turned 3. She settled in very well and loves all the staff. She attends three half sessions a week and always asks when it is a nursery day! As a parent, I don't think there is any better judge than a child enjoying themselves, and being eager to go nursery to prove that it's a good nursery. The children engage in plenty of lovely activities that I enjoy seeing through the communication on the Class Dojo app. My daughter loves the outdoor area and always talks about the things she does outside too. I would happily recommend the nursery to anyone looking for a safe and loving environment for their child.

Our son loves attending Roseberry Academy Nursery, he has been there for around 15 months and he would go every day if he could! They follow an age-appropriate curriculum which promotes engaging themes and early years learning which our son responds really well to. He speaks highly of the teachers and always looks forward to his nursery days. The setting itself is great with colourful, bright classrooms and a fantastic outdoor area. We would highly recommend the setting for anyone looking for early years childcare, we feel that it has prepared our son for school in the best way possible.

I can highly recommend Roseberry, I was really worried about my son settling in as he's a challenge but everyone reassured me that there was nothing to worry about. He has settled in great, better than expected and absolutely loves coming to school! Class Dojo is great to see what he gets up to and how he's doing. The staff are unbelievably great in Nursery, adapting quickly to his needs as he doesn't speak. He's made lots of friends and comes out every day with some new art work. I'm so happy with our experience at Roseberry.

The teachers are so warm and welcoming. My little boy bonded with them straight away. It is so reassuring to know that you're leaving your child with staff who genuinely care for their wellbeing.

**** has settled in beautifully at Roseberry Academy's nursery; she adores it and eagerly anticipates each day. The staff are friendly and provide wonderful support to

parents, which is especially reassuring during those initial weeks. Her progress has been amazing, and the nursery effectively blends learning and play.

Very welcoming from the get go! All teachers and assistants are great assets to the school. My son loved attending Roseberry - Thank you to you all!

My child had his first settling in session and he had the best time! I was very nervous about him going to any nursery and on his first day his teacher said hello and knew exactly who he was. His teachers were kind and caring and I felt at ease instantly! He described his first day as a 'party' and he is so excited to return. I cannot begin to explain the relief I felt just after one day! :)

My daughter absolutely loves nursery, she settled in straight away, made friends and loves her nursery teachers. Knowing she is well looked after and in really good hands is such a comfort! She has so much fun and has absolutely blossomed since starting – thank you!

My daughter looks forward to her nursery days and is always excited to see her friends. Her confidence has grown in what I can only describe as a stimulating and happy environment. The staff are all friendly, welcoming and approachable.

Since starting in September, our daughter has grown in confidence and become more independent. She loves her teachers. They offer her a warm, caring and fun setting and also encourage her to step out of her comfort zone, trying new things each day. Mrs Anderson, the head teacher of the school, is also very hands on within the nursery and offers a wide range of support to both children and parents.
