What a great week we have had! As I have walked around school, I have seen some super attitudes to learning. Children have been trying hard and working together to learn and master new skills. I have been delighted to see our older children giving up some of their lunch time to listen to their younger peers read and take part in Book Talk. What caring children they are! Mrs Channing

An amazing dance experience!

Today, children had an amazing dance experience. The whole school was treated to a live presentation of Indian drumming and dance, followed by Key Stage Two dance workshops. Children learned traditional Indian dance movements and thoroughly enjoyed themselves! A Sikh soldier then spoke to our oldest children about the role of Sikh soldiers in World War One. What a fabulous learning experience, funded through the RAFT Enrichment Fund!

World Restart a Heart Day

Congratulations to Mrs Barker's Class who went on their very first school trip on Thursday. They went to the Post Office to buy stamps and post the letters they had written! Thank you to the adults who accompanied them!

On Tuesday, we welcomed Mr Van Loo, Mr West, Mr Bradshaw and first responders from Great Ayton into school to help us to learn life skills. They worked throughout the day with every child and adult, teaching them how to save lives through CPR and using a defibrillator. The children used 'dummy' defibrillators but also saw our brand new defibrillator, bought through School Council fundraising, which will be kept in the school office for school and community use.

The children thoroughly enjoyed learning new skills, practising on mannequins and defibrillators that were kindly donated to us for the day by South Tees Foundation Trust and Cipher Medical. I'd like to offer huge thanks to everyone who made this event possible and to Miles the Bear for turning up to see everyone at the end of the day and celebrate the arrival of our new defibrillator!

Uniform Update

Great news - our new uniform supplier is now ready to receive uniform orders via their website:

<https://www.motif8.co.uk/schools-html/primary-schools/roseberry-academy.html>

Please check that your child has brought home a letter regarding Parents' Evenings, which will be held in the lower school hall on 13th and 14th November.

Remember to send in your reply slip by next Friday to book your appointment!

Home discussion question

Stan asked... Is it ever safe to play with fire? What should you do if your friends are doing something you know is dangerous?

Thank you to everyone who supported our Book Fair.
We raised an amazing £901.83!

We need a bank of DBS checked volunteers to support us with visits and events throughout the year.

If you are interested in joining our Volunteer Bank, please contact the office.

October

|------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 25 th | Bags2School will be collecting donated items. If you would like your bag to be collected from home, please email RAFT@roseberryacademy.org |
| 26 th | <p>8.30am - 8.55am Donations of tinned food and/or flowers collected at main lower school entrance. All donations will be gratefully received!</p> <p>9.15am Harvest Assembly in lower hall – everyone welcome to come along – following which selected Y6 children deliver flowers around the village with adults.</p> <p>3pm Exhibition of children's work in lower school hall - please come in and have a look !</p> <p>School closes for the holiday – Happy Holiday! We return on 5th November. Please remember that school meal prices increase from 5th November.</p> |

Love in a box

On Thursday, Reverend Peverell came to deliver our assembly. He talked about the Love in a Box scheme and the children it helps each year. If you wish to donate a box of presents, please take it to Christ Church on 4th November, or bring it into school on 5th November. Further details of what may be included can be found on the flier your child brought home. Thank you!

Earning money for RAFT as you shop!

Please remember to go online to nominate us as your local charity on the Co-op website so that every time you spend, money is donated to our school! The closing date for this initiative is 31st October, so there's still time to take part!

On Saturday 27th October, the RAFT Quad project will begin! A skip will be ordered and parents will be on site to dig out and remove the old rubber surfacing, install astro-turf and paint the walls. If you would like to lend a hand, please email RAFT@roseberryacademy.org

You don't need any experience or specialist skills, just a smile and a helping hand!

Next Week's Clubs

Helping our children to grow...

I am really proud of our youngest children who line up on the playground sensibly each day. Now that everyone has settled into their new classes and grown in confidence, it's time to change our morning procedure. May I politely request that after the half term holiday, when the whistle is blown at 8.55am, parents and carers move from the playground to the path behind the green metal fence so that children line up independently. This will enable children to practise their super listening skills when the staff member on duty speaks to them before they go into school.

I'm sure everyone will feel really proud seeing their children line up independently!
