It was lovely to welcome our September Year Three intake children into school for their first play date this week, and to meet their parents at our information evening. It's always exciting watching the Roseberry family grow! I have enjoyed listening to the children from Mr Moore class and Mrs Davies' class rehearsing their songs for their performance - I can't wait to see it!

Mrs Channing

Our playgrounds just get better, thanks to RAFT!

There's been much excitement this week as RAFT's plan for better playgrounds has continued to take shape. The arrival of HUGE new goalposts caused quite a stir (thank you to Mark Thacker from GreenBox, Ceri Tate and her merry band of helpers for installing these at the weekend) and the RAFT readers' telephone boxes for books have got everyone talking! Donations of good quality second hand books for children to read at playtime will be gratefully received!

Thank you to the Fire Service who came to visit this week to teach EYFS and KS1 about fire safety and show them the fire engine!

A warm welcome...

I am delighted to offer a warm welcome to our new Midday Supervisory Assistant, Mrs Preston. Although she is already a member of our school family as a Grandma, she now joins us as a member of staff, too!

Roll up! Roll up!

The RAFT Summer Fair is coming to Roseberry tomorrow from noon until 3pm!

There will be stalls, refreshments, games, music, prizes to be won and much fun to be had! Come along with friends, family and neighbours to have a fabulous time whilst raising money for our brilliant school! What a great way to spend a Saturday afternoon - having fun with the Roseberry family!

We will be holding an **East Barnby parents' information meeting** (parents only) on **Tuesday 25th June at 6pm** in Mrs Davies' classroom. This will be for parents of current Y5 children who will be visiting East Barnby in September. There'll be information, an introduction to supervising staff and the opportunity to ask questions.

Home discussion question

Stan asked...If you wish to stroke someone's dog, what should you do?

D.F Motors

Motor engineers Est 1965 A family business that cares

- *Free pick up and delivery
