People often ask me if school is 'winding down' as we approach the end of a school year. My answer is always 'No way!' This time of year is extremely busy! Great learning is still taking place in classrooms each day and we are busy organising a wealth of activities that will be taking place in the last two weeks of term. Teachers are busy preparing end of school reports, as well as passing information on to children's new teachers so that they are able to plan effectively for their learning in September. Energy has also been put into improving our learning environment, ensuring that working walls and displays are consistent across the school. I must say, it's looking lovely! In addition to this, staff in classrooms and in the office are busy preparing for the new academic year, which will be here before we know it! Three cheers for our staff - busy, tired and fabulous!

Mrs Channing

Thank you to everyone who supported the RAFT cake sale today!

Please make sure your child attends school every day! A day of learning that is missed can never be replaced. Please remember that absences during term time will only be authorised in *exceptional* circumstances.

Congratulations to Yellow Team for winning the Grow £10 team challenge. They have managed to raise £14.00! We will run this competition again next academic year, so you have the summer holidays to come up with a plan, children. How will you use £10 effectively to earn money for our school?

Good luck to Annie in Y3 - she and her ponies will be competing in the Great Yorkshire Show next week. We are so very proud of her achievements. Three cheers for Annie!

Well done to Finlay, who took his singing exam this week. We are sure the examiner will have been impressed with your beautiful voice!

Roseberry's Certainly Got Talent!

This week, professionals from academies within the Enquire Learning Trust came to visit, along with our Chief Executive Officer, Mr Darren Holmes. Together we walked the school, observing superb teaching and learning, looking at children's work and the feedback adults offer them in order to help them to make progress. We also discussed how the environment is carefully designed to enable all children to learn. I was delighted with the overwhelmingly positive comments received and the fact that the hard work of staff and children during this academic year was recognised, appreciated and celebrated. Thank you to everyone who has worked so hard to make our school an amazing place in which to learn, play and grow.

Home discussion question

Stan asked...If you could have a wish for the world, what would it be?

D.F Motors

Motor engineers Est 1965 A family business that cares

*Free pick up and delivery *Service and pre-MOT for all types of vehicle, including hybrid and electric cars *Approved auto-diagnosis centre *Ford and Peugeot parts always in stock *Specialists in VW, Audi and Skoda servicing *Tyres, batteries, exhausts etc supplied *Bosch air conditioning specialist
