Our new curriculum is well under way and it's been great to see children learning through fun! Our new curriculum is bespoke to Roseberry and is written with reference to our local context to meet the individual needs of children within our school family. It is written with reference to three main drivers:

Aspiration – We want our children to have ambition and possess the desire to challenge themselves, to have aspirations for the future and take pride in their own and others' work. We want our children to grow into confident, active citizens, recognising and investing in their own personal growth. We will open their minds to the possibilities for their future lives.

Culture and Community – We want our children to have an awareness of the diversity within their community, the UK and the wider world; a sense of where they live and pride in their heritage as well as a broad knowledge of other cultures. We will give our children background knowledge of the world that they need to develop inference skills and understanding (cultural capital).

Environment – We want our children to be excited about the natural world they live in - to develop passion, curiosity and awe and wonder of the world and understand their personal responsibilities for the environment. We will use our outdoor environment creatively to develop problem solving skills and resilience.

We will soon be able to add blogs to our new website so that you may see our curriculum in action! Mrs Channing

Sad news for Roseberry...

I am sad to announce that our much loved Administrator, Miss Charlton, has decided to leave her position at Roseberry. I know that she is looking forward to spending more time with her family and wish her luck and happiness for her future. I offer heartfelt thanks for all that she has done for our school and hope her last weeks here as a staff member are full of happiness! Three cheers for Miss Charlton!

Let's see how grown up our Year Threes can be!

Our Year Three children are now so grown up that we are going to trial them lining up on the upper playground without their grown ups from Monday next week. This will mean that they should make their way to the upper playground, with their friends, from 8.45am.

Welcome, Mrs Maylard

I am delighted to welcome Mrs Maylard into our school family as a General Teaching Assistant. I am sure that everyone will make her feel most welcome. Our children with Special Educational Needs and Disabilities will benefit greatly from her skills and experience.

Prizes Galore at Stokesley Show!

It was a pleasure working with Mr and Mrs Murton and their children and Miss Tucker last Friday after school, displaying children's work in the Children's Tent at Stokesley Show. I was delighted to see that lots of children from Roseberry won prizes for beautiful art work, handwriting, collage and models. Congratulations to everyone who won a prize and to all of the children whose work was displayed.

Home discussion question

Stan asked... If you could choose what was at the end of a rainbow,

what would it be ?

D.F Motors

25th 9.15am Harvest Assembly in the lower hall (whole school and parents) and flower deliveries (volunteers needed!). **School closes for the holiday** – Happy Holiday! (Return on 4th November)

Rain, rain, go away! Come again another day!

Our drains really don't cope every well when it rains and this results in the paths at the side of the lower school building flooding. During rainy weather, we ask that children in years EYFS, Y1, Y2 and Y3 are brought into the lower hall from 8.45am, where they will be looked after by a member of staff. If the side paths are flooded, children whose classrooms are in the lower school building will be dismissed from the front entrance at hometime.

After School Clubs *A charge applies for clubs run by external providers
