question
Stan asked...
Why is it
important that we
take part
in PE
lessons?

On Tuesday, governors from our Academy Improvement Committee visited our school, led by the Enquire Learning Trust Director of Learning and Innovation, to enquire into our practice. They were delighted with what they saw within lessons, books and our environment. Every child in every class was enthused about learning and focussed upon the task specifically designed for them by their teacher. The quality of children's beautiful work reflects the high expectations we have of what children may achieve. Our visitors were impressed with the active collaboration taking place between children, who supported one another with their learning. What made me feel most proud was that I know this happens day in, day out. Our drive for excellence, whilst making learning fun, engaging and meaningful is evident every day. What a great place in which to learn!

Internet Safety

Online safety - It's good to talk!

In order to help parents have conversations about online safety, Childnet has updated their parent and carer toolkit on: <https://www.childnet.com/parents-and-carers/parent-and-carer-toolkit>

Their booklet 'Let's talk about life online' includes ten key messages that should be shared with children:

1. You can always come to me if you need help.
2. What would you do if this happened...?
3. Remember that not everyone is who they say they are online.
4. Keep your personal information safe, and other people's too.
5. Be respectful to others online.
6. Think before you post.
7. Remember to ask if it's okay.
8. Remember not everything is true online.
9. The things other people post online might not always show what their life is really like.
10. Recognise how going online makes you feel and take a break when you need to.

Children in Need

On 15th November, children may come to school dressed in non uniform for a donation of £1 towards Children in Need. Rather than bringing money into school, please make your donation via ParentPay - this method of payment will make it much quicker and easier to send the money to charity!

Please remember to bring your school PE kit (not fashion kit!) to school, children, making sure that all items of clothing are labelled with your name. We have spare kit but it's always nicer to wear your own!

Wet Playtimes needn't be boring, but we need your help!

As the weather gets wetter, we are in need of games and toys to keep children occupied during wet playtimes. If you have toy cars, construction sets, small world toys or jigsaws that you no longer need, we'd be grateful to receive them!

A message to our children...

We are really lucky to have super outdoor play equipment on our playgrounds, bought by RAFT. A really good way to thank RAFT is to make sure we look after it, playing with it sensibly and putting it away when playtime is over.

Do you have any Aldi vouchers at home? If so, we'd love to have them! The Sun newspaper is running a books for schools initiative, starting on Saturday 23rd November. Look out for the coupons!

A Christingle message from Christ Church

We would love for you, your friends and family to join us at our Christingle celebration so that we may support vulnerable children. Our service will be on Sunday 1st December at 4pm at Christ Church. Collection candles will be located at the rear of the Church. We look forward to celebrating with you.

Come and sample our school meals!

Our meals provider, Mellors, will be visiting school on 20th November to offer parents the chance to taste our scrumptious school meals! Why not come along to the upper school hall from 2.20pm until 3pm to sample food and talk to Mellors' staff about what they offer?
