We've had another action packed week! I have been delighted by the beautiful work I have seen in children's books this week. Our new curriculum is enthusing and engaging children at school and at home - the homework projects that I have seen are amazing! Mrs Channing

Gold success for three great Brownies!

On behalf of our Roseberry family, I would like to offer HUGE congratulations to Magda, Lois and Hannah for achieving the Brownie Gold Award. This is the highest award that a Brownie can achieve and was introduced in conjunction with the new Brownie Programme. It took lots of hard work and commitment to achieve this award, including earning interest badges and running events for other Brownies. We are so very proud of you, girls. Well done!

Relationships Education consultation

You may be aware that the Department for Education has announced that from September 2020, all primary age children will be taught Relationships and Health Education.

By the end of primary school, pupils will have been taught content on:

- families and people who care for me
- caring friendships
- respectful relationships
- online relationships
- being safe

You can find further detail by searching 'relationships and health education' on www.GOV.UK.

Relationships Education will put in place the building blocks needed for positive and safe relationships, including with family, friends and online.

Your child will be taught what a relationship is, what friendship is, what family means and who can support them. In an age-appropriate way, your child's school will cover how to treat each other with kindness, consideration and respect.

As a school, we have a duty to consult with parents on our proposed Relationships Policy. Our proposed Policy will be available from 22nd November 2019 in the Important Information - Policies section of our website www.roseberryacademy.org (or as a hard copy requested from the school office, if preferred) until the consultation period closes on 20th December 2019. Should you have comments or need clarification re the wording or content of the Policy, please email office@roseberryacademy.org with the title 'FAO Mrs Channing - Relationships Policy consultation', or speak to Mrs Channing.

Dinner debts

If you owe money for school meals, please ensure that your child is sent to school with a packed lunch until your debt is cleared. Sadly, we are not in a financial position to be able to pay for children's meals from the school budget. If you are struggling to repay your debt straight away, please contact the office as soon as possible to discuss this.

Thank you.
