Happy New Year! It was lovely to welcome everyone back to school this week - I'd missed the smiley faces of staff and children! It's been great to visit classes this week to see fabulous work taking place. Immersive areas and displays have been created by Mr Murton to reflect the topics to be covered this half term - there's even an igloo to read inside in Mrs Davies' class! I have a great feeling about 2020 and am sure it will be full of learning, fun and friendships! Mrs Channing

A sad announcement

I am sad to announce that Mrs Kate Tombling has decided to resign from her position of Human Resources and Pupil Administration Officer at Roseberry Academy.
I am sure you will agree that, during her time at Roseberry, Mrs Tombling has worked hard as a member of our office team to ensure our school runs smoothly. She has been a valued member of the Roseberry family demonstrating her professional, yet warm, approach to staff, children, parents, and visitors alike.
On behalf of everyone, I offer heartfelt thanks to Mrs Tombling for her hard work and commitment to Roseberry, and wish her happiness for the future.

Making room in our wardrobes and money for our school!

Are you ready for a post-Christmas clear out? If so, there will be another **Bags2school** collection at the front entrance of the lower school on **Friday 24th of January**. Bags will be sent home today - please ask at the office for extras if you need them. This is a great way to have a clear out and make money for our school!

A near miss...

On Wednesday, children from two separate families came very close to being knocked down by a car that was travelling far too fast along Roseberry Crescent, just by our school entrance. I have contacted the Highways department again to request a lowering of the speed limit on this stretch of road. I also witnessed cars driving along the pavement this week and was shocked that parents are willing to put lives at risk just to be able to park near our school. I urge ALL drivers to ensure that they drive at a sensible speed and on the road, rather than the pavement, near our school. Please keep our children safe.

Shaleena and her family have had a lovely idea to raise money for the victims of the bush fires in Australia. Their idea of a cuddly toy exchange will be put to the School Council next week and, hopefully, this will be up and running soon. If you have a clear out, please don't give away your good quality cuddly toys just yet - we may need them!

Home discussion question

Stan asked...How will you be a good friend to others this year?

Can you help us to save our planet?

We have a joint responsibility to look after our environment and know that recycling plays a big part in the battle to save our planet. Sadly, the local council will no longer collect our recyclable waste and, despite searching, we cannot find a company who will collect it. If you know of a company who will be able to help us to do the right thing, we'd love to hear from you!
