We've had an eventful week, with Mrs Charlton's class and Miss Harmar's class braving Roseberry Topping (thank you to the adults who supervised them on a cold and windy day!) and experiencing a visit from a Mountain Rescue team member and his dog!

The NSPCC visited children to teach them how to keep safe and were amazed at the excellent behaviour across the school. We also had an exciting afternoon when the fire alarm went off accidentally. Well done to everyone who stayed calm and sensible throughout. You were brilliant!

## Helping Australia with cuddly toys!

This week, the School Council discussed Shaleena's idea of having a cuddly toy animal stall to raise money for the victims (human and animal) of the Australian bush fires. If you have a cuddly toy animal that you no longer want, we'd love to have it for our stall (children must check with grown ups at home first!). We'll collect the toys on Thursday 13th February and then, the following day at 3pm, there will be a stall in the lower hall (during our Celebrating Cultures exhibition) selling the cuddly toy animals that have been donated, for £1 each. All of the money raised will be sent to help our global neighbours in Australia. I wonder how much money we will raise?

## Reminder

Our next **Bags2school** collection will take place during the morning of **Friday 24th of January**. Please deliver bags of unwanted items to the lower school front entrance between 7am and 9am on 24th January and not before, as we have nowhere to store them. Thank you!

## Celebrating Cultures with beautiful work and cake!

On 14th February at 3pm, RAFT will be holding a cake stall in the lower hall during our exhibition of children's Celebrating Cultures work, to which everyone is invited. Donations of cakes from children in Mrs Charlton's class, Miss Harmar's class and Mr Moore's class will be gratefully received at the lower school front entrance during the morning of 14th February.

Cakes will be sold in bags of 4 cakes for £1.

## Do you have green fingers?

Miss Harmar and the Global Council are creating a school garden, with the help and support of RAFT and our caretaker, Mr Gardner. If you enjoy gardening and would like to help Miss Harmar and the children to plant and look after a garden, please get in touch!

## Inspirational Women and Science

This term, we will be holding an Inspirational Women and Science day, where we will learn about the amazing scientific discoveries made by women and the important role women play in the world of science and technology. If you are a female scientist and would be willing to come into school to speak to children about your studies and the work that you do, or have done in the past, please get in touch with us. We'd love to hear from you!

## Recycling result!

Last week, I expressed my disappointment regarding recyclable waste not being collected. I was heartened by the response of Roseberry parents and pupil, Lois Vernon, who wrote to our local MP to express their concern. I am delighted to inform you that Rishi Sunak, MP, contacted the local council and they, in turn, have been in contact with school to arrange a solution so that our waste is collected and recycled. Lois even received a letter from Mr Sunak, outlining the Government's work in this area and thanking her for her concern. Thank you, everyone!

*Please note that there will not be an Easter assembly for parents on 3rd April as advertised when dates were published last year.*

**Have your say - have the menu your way!**

Our lovely cook, Colleen, would like to hear children's views about school meals and will use their feedback to devise a new menu! She has already planned to improve the vegetarian option each day. There will be feedback forms in the dining hall that we will encourage children to complete so that everyone has their say!
