Do you ever wonder what children have been up to at school? There's amazing learning taking place every day at Roseberry, with teachers planning exciting and memorable learning experiences for children. With our new curriculum underway, learning has never been so interesting and engaging! Many parents will have seen their children's beautiful work on display in the hall and in books during Parents' Evenings this week, but did you know that you can also see great learning on our class blogs on www.roseberryacademy.org? Take a peek!

Yesterday, we celebrated World Book Day!
We had a special assembly, which included a grand parade of children so that we could see the amazing costumes that adults and children had created.
As a lover of books, it is always a delight to be able to celebrate the joys of reading. In the words of Dr Seuss...

**The more that you read,
the more things you will know.
The more that you learn,
the more places you'll go.**
-- Dr. Seuss

Coronavirus

Coronavirus is something that's on everyone's mind at the moment. As a school, we receive daily updates from the Department for Education, offering information and guidance. We are encouraging children to wash their hands regularly with soap and water and have bought alcohol based hand sanitiser for each classroom and staffroom, the office and main reception area. If you are worried about Coronavirus, or need further information, please call the Coronavirus helpline on 0800 0468687 or visit DfE.coronavirushelpline@education.gov.uk

Celebrating important women in science

Last week, children across the school learned about important women in the world of science and technology. They found out so much interesting information that a special assembly was held on Monday so that children could share what they had learned. Thank you to scientist, Mrs VanLoo, for coming into school to talk to Mrs Davies' class about her work and helping children to make bath fizzers. They had a great time!

Our Global Council now has it's own garden, ready for planting! Thank you to RAFT for funding this and for their hard work rotovating, digging and building rabbit proof fenced areas with Mr Gardner during the holiday!

An amazing footballing debut!

On Tuesday, our brand new football team played their first friendly matches against two local schools. I am delighted to inform you that they won both of their matches!

Roseberry vs Stokesley 9 - 3

Roseberry vs Ingleby Greenhow 2 - 1

The children demonstrated great skill and teamwork - well done, folks!

D.F Motors

Motor engineers Est 1965 A family business that cares

*Free pick up and delivery *Service and pre-MOT for all types of vehicle, including hybrid and electric cars
*Approved auto-diagnosis centre *Ford and Peugeot parts always in stock *Specialists in VW, Audi and Skoda servicing

Home discussion question

Stan asked...If you were to write your own book, what would it be about and why?

£ We still have a number of parents who have outstanding dinner money debts. If you are in debt, please ensure that your child has a packed lunch until the debt is cleared. If you are struggling to pay your debt in one payment, please contact the school office.

Our teddy bear raffle, held at the end of last half term, raised £63.00 for the Australian Bush Fire Relief Fund. Thank you for your support!

Last year, we raised £81.70 for the Marie Curie charity. We will be selling daffodil badges for a suggested donation of £1 (cash may be brought in for this, as we have a collection box). Badges will be brought to classes for children to purchase. Thank you

Thank you to everyone who support our Book Fair this week. All of the commission we earn from sales will be used to buy brand new books for our school. We hope that children thoroughly enjoy the books they bought!
