We've had another week filled with learning through fun. Well done to everyone who has been a great learning partner this week. We're really proud of you!

Keeping children safe online

You may think you know what your children are up to online, but can you answer these questions with confidence? Do you know the content of the games your children play? Do you know who their online 'friends' are or who they are talking to via their gaming platform? Are the games they play, apps they have or online content they watch age appropriate? Do you know how long they spend gaming? Are they online when you're asleep? It's good to be curious!

Our new school rules!

On Monday, I met with the School Council to discuss school rules. We agreed that we need rules to be simple so that everyone can remember them. We decided upon the rights that every member of our school family should have and agreed that children's behaviour should ensure that everyone's rights are respected and maintained. We decided that everyone has the right to be safe, learn, be happy and feel valued and respected. Well done, School Council!

Please show your children how much you love them by ensuring they are secured safely (and legally) in your car before starting your journey.

Home discussion question

Stan asked...

What should you do if you see something you don't like online?

Treasure hunt family fun!

The RAFT annual Teacher Treasure Hunt will take place after school on Monday 30th March. This is an event for families to enjoy (children are not allowed to take part unaccompanied). Children solve clues on a clue sheet (these are purchased in the Royal Oak pub at the start of the hunt) to lead them to different shops. In each shop, there will be a member of staff in disguise! Children write down the name of the staff member and then take their completed sheet back to The Royal Oak pub to claim their prize! It's great fun, folks!

Sport Relief

Thank you to everyone who supported Sport Relief today, wearing sports clothes to school and running a mile! The children had great fun being active this afternoon, whilst raising money for a great cause. You really are a very generous bunch!

Coronavirus

Coronavirus is something that's on everyone's mind at the moment. As a school, we receive daily updates from the Department for Education, offering information and guidance. We are encouraging children to wash their hands regularly with soap and water and have bought alcohol based hand sanitiser for each classroom and staffroom, the office and main reception area. If you are worried about Coronavirus, or need further information, please call the Coronavirus helpline on 0800 0468687 or visit DfE.coronavirushelpline@education.gov.uk

Handwashing

Public Health England recommends that in addition to handwashing before eating, and after coughing and sneezing, everyone should also wash hands after using toilets and travelling on public transport. Here's a link to a fun NHS handwashing video for children:
