*I am continually delighted at the hard work of children both in school and at home. You are brilliant, folks! I am so proud to see the amazing attitude to learning that our children have demonstrated throughout these difficult times.*

*Yesterday, the Government released guidance that will enable ALL children to return to school in September. I am so excited that we will all be together again and am now busy writing our reopening plan, which I will share with you as soon as possible!*

*Mrs Channing*

### Transition with a difference!

Usually, at this time of year, we hold transition meetings for the parents of children who will be joining us in September. We also invite children into school for fun activities to get them ready for joining our Roseberry family. This year, for obvious reasons, we have had to do things differently! It was lovely to see our September Year Three cohort with their parents during our Teams video meeting this week. I know that Mr Moore and Mrs Charlton are busy planning some fun online activities for their new classes via Teams, to be held on 7th July, so that children and staff may get to know one another.

Mrs Barker has really enjoyed meeting some of our new EYFS children and their parents, too. Again, things have had to be organised in a different way this year and I thank everyone for their understanding!

Don't forget to come to the Monday (1.30pm) and Friday (9.30am) assemblies on Mrs Channing's Teams assembly channel, children!

I wonder what the story will be about on Monday?

The Act of Kindness award for this week goes to everyone who has thought of, and carried out, a random act of kindness this week. I know that lots of you have been thinking of how to bring a smile to people's faces. Well done!

Our library is looking AMAZING! Mrs Jackson and Mrs Dawson have been working their socks off, so that books are organised in categories and easy to find. Books have coloured labels so that you will know which shelves to return them to once you have finished reading them. Three cheers for our library fairies!

If you have any Harry Potter books that you'd like to donate to our library, please let us know!

### A very exciting find...

This week, Mr Gardner has been very busy sorting out boxes that have been stored in a large cupboard in school for many years. Along with the spiders, he found a box of very old attendance registers, Headteacher's log books, kitchen stock order books and receipt books from the Edward Kitching School, dating back to 1908! The handwriting in these books is beautiful! This amazing find is a brilliant piece of local social history and I have contacted the Great Ayton Historical Society to inform them of our find.

The Government guidance for reopening schools to all children in September states that there will be no requirement for clothing to be washed daily. Children will, therefore, be expected to wear full school uniform for their return on 8th September. This includes sensible, black, school shoes. There is a uniform list in our prospectus, which can be found on our school website.

### We all need a little TLC sometimes!

Please remember that if you or your child need a little extra emotional support during lockdown our Family Mentor, Lesley, is available to talk to via telephone on Monday, Tuesday and Thursday. Just call the school office on 01642 722883 and ask for Lesley.

### The great 'stuff' collection!

In last week's newsletter, I mentioned that our merry band of Teaching Assistants had been tasked with the job of finding, bagging, and labelling children's belongings from trays and pegs so that they may be collected. In order that that social distancing may be observed, we will have collection times for parents to visit school and collect their child's belongings. Bags will contain siblings' items, so that you don't have to come into school twice!

Older children's belongings will be in the youngest sibling's bag. Bags will be outside the lower school main entrance on tables ready for collection at these times:

Monday 13 <sup>th</sup> July		Tuesday 14 <sup>th</sup> July		Wednesday 15 <sup>th</sup> July		Thursday 16 <sup>th</sup> July	
am	pm	am	pm	am	pm	am	
EYFS	Y1	Y2	Y3	Y4	Y5	Y6	

### Mrs Maylard's online clothing store!

Mrs Maylard still has LOADS of lost property that hasn't been claimed, despite texts and articles in our newsletter. Usually, at the end of an academic year, we donate unclaimed items to charity as we cannot store them in school indefinitely. However, this year, Mrs Maylard will be running an online shop! She has coats, PE kits, shoes, jumpers, cardigans, trousers and lots more! All items have been washed and sealed into separate bags, ready for rehoming. If you need school clothing ready for September, please email Mrs Maylard on [v.maylard@roseberryacademy.org](mailto:v.maylard@roseberryacademy.org) to arrange collection or free delivery.

Items are not priced, however if you wish to give to a donation to our school fund via ParentPay, this would be gratefully received! HUGE thanks to those families who have already donated funds to our school!
