Enjoy Believe Achieve Inspiring Lifelong Learning

## Pupils of the week

Everyone is a pupil of the week this week!

You have all been absolutely amazing throughout these very strange times and we feel so very proud of each and every one of you!

Well done!

Home discussion question

**Stan asked...**

**What have you enjoyed most about school this year and why?**

*What a year we have had! In September, we had no idea what lay in store for us and the resilience and creativity we would need in order to make the year a success. However, this is exactly what we have done. We have worked together to ensure that children have continued to learn throughout lockdown and that those of Key Workers have been able to come to school, enabling their parents to carry out the jobs that have been vital in keeping our community safe. I always feel proud of the Roseberry family, but I have never felt as proud as I do today. Reflecting upon what we have achieved this year, I feel blessed to work with such an amazing group of dedicated, compassionate and caring professionals. I feel privileged to know the children and parents of our school family and cannot wait until we are together again. Be safe.*

## **Farewell, Mrs Hore!**

Today we said farewell to Mrs Hore. She has been a valued member of the Roseberry family since 1986! She has looked after hundreds of children in her role as Midday Supervisory Assistant, helping children to play together in harmony, wiping scuffed knees and making sure children have their lunch on time! She has also been our Relief Caretaker for many years, making sure our school is safe and secure and available for lettings. We wish her well for her retirement and hope she enjoys having time with her family.

Three cheers for the fabulous Mrs Hore!

## **Thank you!**

On behalf of all of the Roseberry staff, I would like to say a HUGE thank you for the kind words, cards and gifts we have received.

It's lovely to feel appreciated, especially at a time like this where everyone has had to work even harder than usual in difficult circumstances.

Your generosity and thought has meant a lot to us all.

## **Reuniting our school family in September!**

As you know, our school will reopen for everyone on 8th September. I am so very excited that we will all be together again! A detailed plan has been written in order to keep everyone safe. This plan, along with a risk assessment, has been submitted to the Enquire Learning Trust trustees. From this, I have taken the main points that parents need to be aware of, and shared them on my blog page on [www.roseberryacademy.org](http://www.roseberryacademy.org). Please ensure that you have read this in preparation for September so that you know what time to bring/collect your child, what they need to bring and what will be expected of you and them. Let's work together to keep our school family safe!

**Our Act of Kindness award for this week goes to Magda. She has been displaying messages of kindness, hope and positivity in the window of her house, lifting her neighbours' spirits. What a superstar!**

### Celebrating in style!

It was lovely for children to experience their Year Six leavers' assembly today, and for children and adults at home to join us via Teams. The event was recorded and is on Mrs Davies'/Mrs Davis' and Mrs Murton's Teams channels.

On behalf of the Roseberry family, I would like to offer huge congratulations to each and every one of our Year Six children. Your achievements were recognised and celebrated by us all today and we felt very proud of you, indeed! Good luck for the future - be happy!

If your child has Special Educational Needs or a Disability, our SENDCo, Miss Burley, will be in touch with you in September to discuss your child and the support they will receive to enable them to thrive.

### A magical scavenger hunt!

Thank you to Mr Murton, for donating beautifully carved magic wands to the Year Six leavers who have been in school since returning in June. The children thoroughly enjoyed searching for these outdoors during their scavenger hunt. It's great that children have benefitted from his creativity and generosity!

### Mrs Maylard's online clothing store!

If you need school clothing, please email Mrs Maylard on [v.maylard@roseberryacademy.org](mailto:v.maylard@roseberryacademy.org) to arrange collection of good quality, used, uniform.

Items are not priced, however if you wish to give to a donation to our school fund via ParentPay, this will be gratefully received!

Teams will be muted over the summer, as staff will not be on hand to monitor what is posted. From September, we will continue to use Teams to share information, hold parents' meetings and issue homework. If you cannot access Teams, please contact your child's new teacher as soon as we start back in September. Thank you.
