I have seen some amazing work this week as I have walked around school. Children have been working their socks off and should feel extremely proud of what they have produced!

I have heard excellent manners during lunch time and witnessed thoughtful and polite behaviour. It was lovely to see pictures on Teams of children in Mrs Barker's class picking apples from our little apple tree - they were very excited that they were allowed to eat them! Mrs Channing

Celebrating great learning online!

Please remember to look at the class blog pages on our website, as teachers often post examples of the brilliant learning that goes on in their class.

Important information is posted on Teams, including homework! There is an expectation that everyone accesses Teams, so if you're struggling please let your child's teacher know.

Act of Kindness

Our Act of Kindness award this week goes to Honey-Leigh, Skylah, Sophia and Robert!

Honey-Leigh noticed during PE that someone didn't have a partner and so decided to step in so that the child wasn't on her own. Skylah encouraged a little girl who was feeling upset to work with her, allowing her to join her in painting her model volcano. Sophia has tidied and mopped up spilled water without being asked to do so and Robert gave his friend a lovely star sticker to let him know he cares about him.

What kind children we have at Roseberry!

Noticing Nature

Yesterday morning, Carys, Merryn and Eve ran up to the school gate in a state of great excitement. They'd spent a few minutes watching a baby bird learning how to fly! How lovely that our children appreciate the wonders of nature!

Attendance matters

It is really important that your child attends school every day if they are well enough to do so.

Children who are absent from school miss out on learning and being with their friends. They often find it hard to catch up when they return and this can affect their confidence. Please do not book holidays during term time, or tell us that your child is poorly when they are, in fact, on holiday. This makes it very difficult for the child when they return to school, especially if their peers have seen their holiday pictures on social media!

D.F Motors

Motor engineers Est 1965 A family business that cares

*Free pick up and delivery *Service and pre-MOT for all types of vehicle, including hybrid and electric cars
*Approved auto-diagnosis centre *Ford and Peugeot parts always in stock *Specialists in VW, Audi and Skoda servicing
*Tyres, batteries, exhausts etc supplied *Bosch air conditioning specialist

**discussion
question**

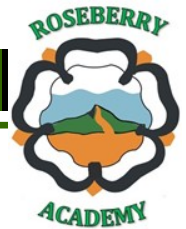

Stan asked...

**Which is your
favourite season
and why?**

**PLEASE CONSIDER OTHERS AND PRACTISE SOCIAL DISTANCING
OUTSIDE SCHOOL DURING DROP OFF AND PICK UP!**

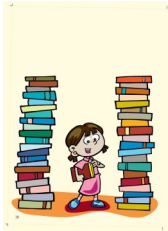

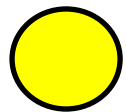

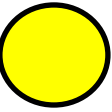

Beware of the jackdaw!

You may have noticed that we have been joined by a very temperamental jackdaw! Although it can be friendly, it also likes to land on people's heads and peck at them. Please be wary of it!

Thank you!

Thank you to Erin and Harrison's grandad for arranging for the 'social distancing dots' to be painted on the pavement outside school!

Great Ayton Discovery Centre will now open until 4.30pm every Thursday!

Our current opening hours are:

Tuesday 10.30am – 2.30pm Wednesday 10.30am – 2.30pm

Thursday 10.30am – 4.30pm Friday 10.30am – 2.30pm

Please note: These Opening Hours are subject to change.

Thank you for your views!

Thank you to everyone who has taken the time to offer their views of how we responded to lockdown in March and the online learning provision in place. The comments received have been extremely positive and I shall enjoy sharing your kind words with staff who have worked so hard during difficult circumstances.

If you haven't completed our survey and would like to, please use the link or QR code, found below.

Thank you for your time!

<https://www.surveymonkey.co.uk/r/TBQTYJ>

A little reminder of our staggered timings...

8.45am arrival 3.00pm departure: Mrs Barker's Class, Miss Lindo's class and Mrs Kearns' class

8.55am arrival 3.10pm departure: Mr Moore's class, Mrs Charlton's class and Miss Harman's class

9.05am arrival 3.20pm departure: Mrs Meadows' class and Mrs Murton's class

Times are staggered to try to ensure that bubbles don't mix and there's enough room for everyone to social distance.

Parking!

PLEASE do not park on the pavement or across residents' driveways.

Parking on the pavement makes it really difficult for children to cross the road safely.

It also prevents adults from being able to social distance, as it limits the amount of pavement that may be used.

Restoration specialists. Resprays. Insurance work.
Welding. Bodywork. Waxoyling. Free estimates.
