What an amazing week of learning we've had! Don't forget to check class blogs on our website and Teams pages to see what everyone's been up to (including two classes who had an amazing time dissecting a heart!). Learning is loads of fun at Roseberry! Mrs Channing

A message from Mr Moore

It's that time again, folks! The latest round of Times Table Rock Stars Battles for Y2 - Y6! We go live at 3:20pm on Thursday 5th November until the following Thursday at 12pm. We'll have some real clash of the Titan battles, including Miss Hamar's class vs Mrs Meadows' class - the two highest scoring classes of the last round! Good luck to all!

Raising money for Children in Need

Next Friday, we will be raising money for Children in Need. For a donation of your choosing (minimum £1) via ParentPay, children may come to school dressed in non uniform. Teachers are busy planning activities for a special Children in Need Golden Time in their classes. I wonder what children will be doing?!

Sad news

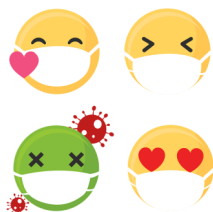

I am sad to inform you that Miss Charlton's fixed term contract has come to an end and, consequently, we will be saying farewell to her at the end of November. I would like to offer heartfelt thanks to Miss Charlton for her hard work in our school office. She has been an absolute delight to work with and she will be missed as a member of staff, although we'll still see her smiley face as she waits to pick Jayden up from school. I wish Miss Charlton luck and happiness for her future.

Home discussion question

Stan asked...
What would you like to find at the end of a rainbow?

Let's keep everyone safe

Please remember that all adults who are not Enquire Learning Trust staff members are now required to wear face coverings when entering our school premises. This includes outdoor premises, too. Staff who are meeting and greeting children and adults are now also required to wear face coverings. Let's work together to keep our school family safe!

Welcome!

This week, we welcomed Mrs Gartland into our school family. Mrs Gartland will be working as Business Manager in our school office every Wednesday and Thursday. I'm sure she's looking forward to getting to know everyone!

Act of Kindness

Our Act of Kindness award this week goes to Pippa. She was spotted on Wednesday morning taking care of her friend as he walked into school. Nobody asked her to do it - she chose to be a good friend because she's kind and thoughtful! Well done, Pippa!

D.F Motors

Motor engineers Est 1965 A family business that cares

*Free pick up and delivery *Service and pre-MOT for all types of vehicle, including hybrid and electric cars
*Approved auto-diagnosis centre *Ford and Peugeot parts always in stock *Specialists in VW, Audi and Skoda servicing

Station Yard, Great Ayton, TS9 6HJ 01642 722106 www.dfmotors.net

If you have comics that your child no longer wants, your child's class would love to receive them! Please bring them to school in a plastic bag. They will be stored for 72 hours before sharing. Thanks!

Thank you to Edith and Martha for bringing in lots of Horrid Henry books for our library. Their brother, William, has read them all and kindly donated them to us. What a lovely thing to do!

Remember, children, there is an amazing selection of books for you to read in our school library. If you don't enjoy reading, you just haven't found the right book for you yet! Reading is fun - give it a go and remember to ask a grown up to complete your reading record so that you may receive a certificate for every 20 books read!

Request

Please adhere to our drop off and collection times, avoiding congregating at the front gate, so that we may keep bubbles separate. We really need your help for our system to work!

Roseberry Academy Friends and Teachers (RAFT) AGM

On Monday, our RAFT AGM was held via Teams. It was lovely to be able to celebrate the hard work of RAFT members and see a healthy bank balance!

RAFT members work extremely hard throughout the year to arrange exciting fundraising opportunities for children to take part in, raising much needed funds to buy the special extras that the school budget cannot support. We are blessed to have a forward thinking, creative, committee. They have been busy thinking of safe ways in which we can continue to fundraise, with Covid restrictions in mind. Their latest idea is a (sort of) Sponsored Walk to Lapland! Look out for the letters coming home on Monday to see how you may have fun as a family, raising money whilst keeping fit and healthy!

I would like to offer *huge* thanks to our RAFT members for working so hard for our school family. I know that the School Council will be delighted to learn that their wish for additional play equipment for them and their friends to use within their bubbles at playtime has been granted. Thank you, RAFT. You are fabulous!

Nursery consultation

Our Roseberry Nursery consultation process is now underway. If you would like to ask questions, express your views, or register an interest, please email office@roseberryacademy.org with the title 'Nursery consultation'.

Mrs Maylard's Online Used Uniform Shop

Remember, we have lots of good quality uniform items for sale - it would be a shame for them to go to waste if your child could wear them and we can raise money for school through selling them!

Please email your requests to v.maylard@roseberryacademy.org.

Our virtual tour

Do you have friends or family who have a child ready to start school in September 2021? As we are not able to accept visitors into school at the moment, we now have a virtual tour on our website (www.roseberryacademy.org). Please feel free to share it with them!

Restoration specialists. Resprays. Insurance work. Welding. Bodywork. Waxoyling. Free estimates.
