## Home discussion question

**Stan asked...**  
**What could you do to make someone smile today?**

We've had a **BRILLIANT** week of learning! Well done, folks. Please stay safe and comply with lockdown rules - you are all very precious. Mrs Channing

## Not all superheroes wear capes!

I would like to offer heartfelt thanks to all of the adults within our school family who are working hard and staying positive during this difficult time. Many of our parents and carers are critical workers, working on the front line day in, day out. In their many and varied roles, they continue to work tirelessly and selflessly to help others. Some of our parents have been furloughed but are still managing to stay positive for their families. I know that juggling supporting children with online learning and managing a home during lockdown is really challenging.

Three cheers for our amazing adults - you are all doing remarkably well!

## Amazing Online learning

I have been *astounded* by the quality of our remote learning during the past two weeks. Teachers are working their socks off to provide daily learning experiences with reference to our curriculum. Children in school and at home are able to access the same learning, guidance and feedback from teachers so that everyone has the same opportunity to make progress. This is the reason for us moving away from providing stand alone paper work packs. Children need to access the superb learning on offer via Teams so that they don't miss out. However, if you are struggling with the IT aspect of Teams, please let us know and we'll help you!

## Where's Mrs Channing? She's in the nursery!

Whenever people can't find Mrs Channing, all they need to do is visit our nursery - she can't help visiting throughout the day! Our nursery children have been having a lovely time this week, learning through fun. On Thursday, they even built a den in the classroom! If you would like your child to join our Roseberry family, we still have places for 3 year olds and a waiting list for 2 year olds! Please call 01642 722883 for information or visit the nursery page on our website.

## Lunchtime Awards

This week, our lunchtime award goes to Joseph Twomey!

## Act of Kindness

This week, our award goes to Etta for being kind at playtime, letting other children play her game (nominated by Sofia), and Hudson Blair for helping his friend, Joseph.

Please let Mrs Channing know asap if your child is in school and they, or members of your household, develop Covid-19 symptoms.

Our crossing patrol officer, Dennis, leaves his post on 29th Jan and so there will be no officer until a replacement is found. The vacancy has been advertised on NYCC website.

### Inspiring our children through your achievements

We think it's important that our children are inspired by others. What better way than for them to see what past pupils have achieved since leaving Roseberry? We would love to receive photos of past pupils with a brief outline of what they have achieved. It may be that they have competed in sport, started a business, become a parent, completed an apprenticeship or travelled the world! If you'd like to inspire our children, please email a picture and short outline of your achievements (or encourage someone you know to do so!) to [office@roseberryacademy.org](mailto:office@roseberryacademy.org)

### We may be apart but we can still be together!

Every **Monday at 1.15pm** and **Friday at 9.30am**, there will be an assembly on Mrs Channing's Teams channel. Every member of our Roseberry family is able to join and it would be great to see everyone there!

### Do you have a laptop or iPad you don't need?

The BBC Make a Difference campaign has been relaunched. For details, please visit <https://www.bbc.co.uk/programmes/articles/5SqHJMTKZx5sYhltXJvB1Q/give-a-laptop>

### BBC Bitesize

You may have seen that the BBC has produced a range of BBC Bitesize programmes for primary aged children to access during lockdown. These are super, but don't necessarily follow our curriculum, so please use them as an addition to children's online learning via Teams rather than a replacement for it!
