It was lovely to welcome Mr Moore back to school on Thursday following his paternity leave. Thank you to parents and staff for their generosity, donating money for Mr Moore and Miss Harmar to buy some lovely things for little Violet! Mrs Channing

Football club for the future!

In April, regulations permitting, we will be having a mixed football team club for children in Bubble 5 (Mrs Davies' class and Mrs Murton's class) after school every Wednesday. This will be run by a qualified sports coach, Mark Shimwell, and free to attend, as this has been subsidised through our Sports Premium funding. There will be other clubs starting later in the year, with the hope that as we return to a little more normality, clubs will be available for children of all ages. Letters will be sent out soon to those children who express an interest in joining the club and places will be allocated on a first come first served basis, as there will be a limit of 20 places.

Thank you!

Thank you to everyone who has parked thoughtfully this week, making crossing the road a much safer experience for our children.

Stan asked...

Would you rather have eyes in the back of your head instead of the front, or on your hands instead of your face?

Red nose - anything goes!

RED NOSE DAY

It was great to see everyone dressed up today. We said that today would be given the title of 'Red nose - anything goes!' and we weren't disappointed! We had an array of different outfits in school today and classrooms and playgrounds were awash with colour! Thank you to everyone who purchased a red nose, raising money for Comic Relief.

Letting us know about positive Covid cases during the Easter Holiday

If your child tests positive for Covid-19 between 26th March and 1st April, and they developed symptoms within 48 hours of being in school, please text your child's name to the following number: **07704 771352**

Mrs Channing will be able to access your message and make contact with children and staff who may need to isolate.

Please note that this number is for Covid reporting texts only.

Act of Kindness

This week's award goes to Mabel, for helping a friend whilst getting changed for PE, and Hudson for being kind, helping Joe when he fell over. Frankie deserves it too for stopping to help Joey when he was struggling with his bag and scooter, without being asked to do so. How lovely!

Lunchtime Award

This week, our lunchtime award goes to Flynn Christensen. Lunch time can be pretty daunting when you start a new school, but Flynn has taken it all in his stride and enjoyed being with his new friends. Well done!

Please let Mrs Channing know asap if your child is in school and they, or members of your household, develop Covid-19 symptoms, even if they're already isolating. Please remember that if someone in your household has Covid symptoms, everyone within the household needs to isolate until a Covid test has been conducted and a negative result obtained.

In a world where you can choose to be anything, choose to be kind.

Being different is something to celebrate!

This week, we heard a story during assembly about someone who was different and how people reacted to him. We thought about how important it is to celebrate our differences. We may have different interests, have different skin or hair, enjoy listening to different music or like to wear different clothes. We may have different families, speak different languages or live in different types of home.

What is important is that we are all special and that we are all valued members of our Roseberry family. What a boring world it would be if we were all exactly the same!
