It's been lovely to walk around school this week and hear the buzz of excited children, eager to start their new topics, learning through fun and collaboration. Year Six children have begun rehearsals for their end of Roseberry production, which will be released on film at the end of term. I can't wait to see it! Mrs Channing

Cricketing success!

We were delighted when Alex Davis was chosen to play cricket for the North Yorkshire Under 11's team. He captained the team during their most recent match and was asked to go to trials to see if he could be selected to play for Yorkshire. I am excited to reveal that Alex was successful during the trials and, consequently, has been selected and will play for Yorkshire in the Under 11 team. Congratulations, Alex! This is a massive achievement and we feel very proud of you!

Lunchtime Award

This week, our lunchtime award goes Lincoln Clemmit for lovely manners and trying really hard to do the right thing. What a superstar!

Watch out! There's headlice about! Please check your child's hair and treat accordingly.

Big Bee Challenge

The Big Bee Challenge is Radio 2's brand new competition for children in partnership with the Royal Horticultural Society. It's a fun and creative way to learn more about bees and other insects that help provide much of the food we eat, and are essential for a healthy environment.

If you are between the ages of 6 and 12, we want you to design a bright, buzzy garden that will attract bees and other pollinating insects. The winner's design will be built by the RHS at an NHS Trust site which is used by children and young people with mental health needs.

The lucky winner will be invited to open the garden at an outside broadcast of [The Zoe Ball Breakfast Show](#) on Friday 20 August 2021! You will meet loads of guests, receive a professional illustration of your garden design and go home with a box of goodies to help turn your own outside space into a wonderland for bees. To enter, visit the BBC Radio 2 website!

This week, we welcomed Mikey back into Year Six. It was so lovely to see his smiley face! I know that he's had lots of fun catching up with his friends.

Global Council top tip!

In order to save water when cleaning your teeth, turn off the tap whilst brushing!

Cycling to school

We have a school rule that children may only cycle to school if they have passed their Bikeability course (Y6 children) or they are cycling with an adult. We also insist that children riding bikes to school wear a helmet. We have this rule to try to keep everyone safe and thank you for your support.

Keeping safe in the sun!

It's been lovely to experience sunny weather but we must remember that we need to keep safe in the sun, children! Please ask a grown up to help you to apply sun cream before you come to school. Please also remember to bring a sun hat and a water bottle to school. We have lots of space to play, but not much shade during sunny weather.

Act of Kindness

This week's award goes to Jake Wright. He has been raising money for people less fortunate than himself and was recently rewarded for his efforts by being invited to play cricket with Clive Smith OBE and English international, Chris Lewis! Lilly-Mae Parker also deserves this award for being really kind to Martha, sharing her ball with her.

This week, we welcomed Mrs Gilpin into our Roseberry family. Mrs Gilpin will be teaching our gorgeous Year One class until the end of the summer term. I know she has lots of lovely learning experiences planned for the children (including a Royal tea party!) and has already been impressed with their super attitude to learning!

Please help us to keep everyone safe!

Please remember that we still require adults on our school site (including outdoors) to wear face coverings, even if they have been vaccinated. Thank you for your support and co-operation!

Children have missed lots of schooling this year - please don't let them miss any more!

Please remember that holidays during term time are not permitted and cannot be authorised unless there are exceptional circumstances. Thank you!
