Home discussion questions *Stan asked...*

Why is it important that we put our litter in the bin?

Why do we have different bins for different rubbish?

It's been so exciting listening to Y6 rehearsing their end of year production during the past few weeks. I can't wait to see it, once it's filmed! Huge thanks to the adults who have worked so hard to make this happen!

A message from All Saints Church

We are holding an Open Air Eco Church Service in All Saints Churchyard at 11 o'clock on Sunday July 11th to launch a week 'Caring for God's Creation'.

As we are in the Open Air, the service will include singing as well as some short Environment talks, readings and prayers. Refreshments - coffee, cake and squash - will be served before the service. Throughout the week there will be an opportunity to explore this Living Churchyard, learn about the value of biodiversity, help combat the climate emergency and enjoy the tranquillity.
