Celebrating the end of an era!

This week, Year Six children have had a brilliant week! They started the week performing their end of year production, kindly filmed by Dan Brookes. We can't wait for the film preview - we have popcorn at the ready! On Thursday and Friday, they experienced fun days, including activities outdoors and in their marquee classroom, kindly funded by RAFT and erected by Doug and Ben Ferguson, Steve Lasky, Marc Mason and Ceri Tate. During Thursday evening, they had a gorgeous BBQ, supplied and subsidised by Damon Wright, and a fabulous (free) disco, with thanks to John Hornby. Year Six then camped in school overnight, looked after by Mrs Murton, Mrs Barker, Miss Charlton and Mr Murton (I slept in my office!). What amazing adults we have within our school family and community! Well done to the children who were so much fun to be with, making memories for us all to treasure!

Home discussion question
Stan asked...
Why is it important for children to be safely secured in a car seat or booster seat whilst travelling in a car?

Evie's Walking Wish

Evie Healey is a former pupil at Roseberry Academy. It has always been her dream to be able to walk more easily, like everyone else, without staves and to be able to keep up with her friends and twin sister. She would love to be able to put her socks and shoes on without a struggle, and be able to walk without the pain and stiffness that her cerebral palsy causes.

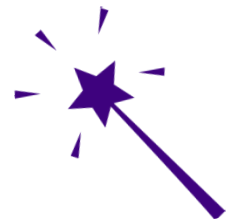

Evie is now 18 and has been offered life changing surgery to achieve her dream. Unfortunately, this is not available on the NHS so her family is trying to raise the funds so that she can have the operation in August. It would be her dream come true to have the procedure before she starts university!

If you would like to take part in this fundraising, it is really simple.... just get walking! You could walk to school, hike up Roseberry Topping, take the dog for a stroll on the beach, or anywhere your legs take you!

Any donations would be gratefully accepted at :

Thank you!

!! A message from the Police !!

For months, we have been outside school encouraging safe parking and educating drivers about where they are and are not allowed to park. Please note that from September, we will be move from encouragement and education to enforcement, issuing fines for parking offences.

Act of Kindness

This week's award goes to Hudson Blair and Sophia Maylard for being kind and thoughtful towards their friends.

It also goes to the staff, RAFT members and members of the wider community who have worked so very hard to make our Year Six production, fun days, disco and sleepover possible.
