Enjoy Believe Achieve Inspiring Lifelong Learning

Pupils of the week

This week's award goes to all of our children! You have been incredible during a really strange year. You have worked hard at home and in school and adapted to changes to your routines. You are amazing people and we can't wait to see you again in September!

What a year we have had! In September, we had no idea what lay in store for us for another year and the resilience and creativity we would need in order to make the year a success. However, this is exactly what we have done. We have worked together to keep everyone safe and happy, whilst ensuring that children have continued to learn, whether at home or in school. I always feel proud of our Roseberry family, but I have never felt as proud as I do today. Reflecting upon what we have achieved this year, I feel blessed to work with such an amazing group of dedicated, compassionate and caring professionals. I feel privileged to know the children and parents of our school family and cannot wait until we are together again after the holidays. Be safe - you are all very precious. Mrs Channing 😊

Our school family is like a jigsaw. Every piece is important.

Everyone has a part to play in making our school the family it is.

Thank you, everyone!

From EVERYONE at Roseberry, I wish farewell and good luck to our fabulous Year Six children, Mrs Kearns, Mr Bourne, Mrs Gartland and Jason. You are all off to pastures new and we know that exciting times are ahead of you all. You are very special and will always be members of our Roseberry family.

Thank you to Mrs Kearns and Mr Bourne who have guided and nurtured our children, to Jason who has fed them wonderful meals and Mrs Gartland who has kept the finances in order and made sure staff have been paid! May the smile on your faces always come straight from your hearts! 😊

Thank you, RAFT!

Roseberry Academy Friends and Teachers work their socks off throughout the year to enable our school family to have fun, whilst raising money for the special extras that our school budget cannot fund. I would like to offer HUGE thanks to those people who work tirelessly behind the scenes. They do an amazing job. This year, RAFT has produced a video to tell you all about what your donations have provided. Why not take a look on Teams and our website?

Bees need water! Try putting out a dish of water, with pebbles in the bottom so that bees can have a drink but not drown.
