Welcome back! I hope you all had a wonderful summer break. It's been lovely to welcome new children into our Roseberry family, along with Mrs Weyell (Year 3/4 teacher), Mrs Sellers (Year 2 teacher), Miss Coopland (Teaching Assistant), Mr Tate (Cook, known as Douglas!) and Mrs Rice (Business Manager). Well done to everyone for being so very brave entering your new classes and to our EYFS children who have amazed us with how quickly they have settled. I have been very impressed with the behaviour and attitudes to learning I have seen as I have walked around school this week and have a feeling this is going to be a wonderfully positive, action packed year. Well done, everyone - what a great start! Mrs Channing

As it's very busy at the front gate at hometime, parents of children in Miss Burley's class, Mrs Weyell/Mrs Charlton's class and Mrs Davies' class are welcome to meet their children on the upper playground at 3.10pm.

Hello! I'm Toby (a four month old Cockapoo) and I'm the Roseberry family school dog! My bed and crate are in the school office, which is where I spend most of my time. I am not allowed to wander around the school on my own and grown ups have written something called a Risk Assessment, which tells people how I should be handled, that everyone should wash their hands after touching me (although I don't think I'm dirty!) and that I have my very own insurance! If parents don't want their children to have contact with me, that's fine - they just need to let the office know. My most important job is to make everyone smile - I'm doing pretty well so far!

Please remember that we use class Microsoft Teams pages for messages, updates and homework. If you are struggling to access Teams, please contact your child's teacher.

Lunchtime Award

This week, our lunchtime award goes to EVERYONE for lovely manners and super behaviour!

Act of Kindness

This week's award goes to Skylah Thompson and Miss Thompson, for allowing their dog, Toby, to become our school dog. Sharing their beautiful pet with our school family is a very kind thing to do, indeed! It also goes to Fraser Taylor for being a brilliant friend and Elliot and Aria for donating craft materials to our school!

Golden Time

We have reviewed Golden Time, which happens in each class at the end of the week. Each child will start the week with 100% of their Golden Time allocation and must try hard and behave well to keep it. They will be told throughout the week whether or not they are on track to have their Golden Time so that they may improve their behaviour, thus ensuring they take part in the fun activities on offer!

A message from Mrs Murton, our Leader of Learning

I love my role of 'Leader of Learning' as it enables me to work with children, staff and parents to help children to make progress in many areas of the curriculum. I am always happy to offer parents advice, ideas and activities to support children's learning at home. If there are any areas of learning which you feel would be beneficial for me to focus upon, either on a one to one basis or by running a parents' learning workshop, I would love to hear from you. You can contact me at:

Sad news...

I am sad to inform you that our lovely Kitchen Assistant, Lisa Gardner, will soon be leaving us. As many of you know, Lisa is a successful fitness instructor and is in great demand, helping our community to be fit and healthy. We wish Lisa luck and happiness for the future.. We'll miss her smiley face!

Congratulations, Annie!

Over the summer break, Annie and Cruz, have been working extremely hard, travelling all over the country to take part in competitions. At the end of the holiday, they won a competition and entered 'Champion' class, but most excitingly of all, they qualified to take part the Horse of the Year show! In the world of horse riding, this is like qualifying to play in the World Cup final and is the highest achievement Annie can reach in her field.

Congratulations, Annie and Cruz. We are so proud of you!
