The outcomes produced so far this half term have been superb! The work in children's books, on classroom walls and in class Learning Journey Books proves how dedicated our staff are in providing engaging learning opportunities and how positive our children are about their learning. Children strive to do their best and produce beautiful work in school and at home - the topic homework that has been submitted is stunning! Next week, we will hold our Celebrating Cultures week, where children will learn about cultures around the world and produce a fabulous whole school display to share their learning. I can't wait to see it!

Mrs Channing

What has Toby seen this week?

Toby was very impressed on Thursday when he saw children and adults taking part in a Fire Drill. Everyone left the school buildings in under two minutes and children were very sensible, indeed! Toby welcomed our CEO, Mr Holmes, into school this week and was delighted to hear how impressed Mr Holmes is with the learning that's taking place across the school. He said that our classrooms look amazing and that children's attitudes to learning are superb. Mr Moore, in his role as Maths Leader, shared our children's maths work with Mr Holmes. Toby was delighted to hear that many children LOVE maths and enjoy being challenged - some children even try the Chilli Challenge!

A date for your diary

Roseberry Academy Friends and Teachers will be holding their Annual General Meeting on the Teams Assembly channel at 7pm on 18th October. Everyone is welcome to attend and because it's online, you won't need childcare!

discussion question

Stan asked...

If you could be a character from a book for one day, who would you be and why?

Lunchtime Award

This week, our lunchtime award goes to Lilly-Mae Parker for having happy lunchtimes with super manners and behaviour!

What a clever squirrel!

This week, Mrs Barker's class has been learning about squirrels. They decided to create an obstacle course for the grey squirrel they often see in their outdoor learning area and were very excited to see him using it! I wonder how many squirrels you can find on this week's newsletter?

My Child At School app

Please note that after the half term holiday, children will need to be booked into Breakfast Club (and payments made) via the My Child At School App. Meals will also need to be ordered via the app. Even if your child has free school meals or infant universal free school meals, you will still need to order from the online menu what they would like to eat, a week in advance, so that the kitchen may order the correct amount of food. Log in details will be coming to you before the end of next week so that you may set up the app before 1st November!

Act of
Kindness

This week's
award goes to
Merryn Kelly for looking
after a friend who had
broken her headband and
was feeling upset at the
start of the day.
She used humour and
kindness to make her
friend feel
better.
What a star!

What an achievement!

I know that we
have all enjoyed
following Annie's
achievements.
I am, therefore,
delighted to inform
you that she came
4th in the country
at the Horse of the
Year Show.

Congratulations, Annie!

Harvest Time!

At 9.30am on 22nd October we will
hold a whole school Harvest
assembly, which we will live stream
for you to see via Teams. This year
we will be collecting non perishable
food (tins and packets) which we will
donate to our local Food Bank.
If you would like to make a donation
and are able to do so, we will collect
items on Friday 22nd
October at the front gate
from 8.45am until 9am.

Please don't park on the yellow zig zags to drop children off -
police will issue tickets for this, as it is dangerous!

Global Council Top Tip

Always put your litter in a bin and try to
recycle it whenever you can!

**Please remember to let us know straight away if your child
has symptoms of Covid, or tests positive for Covid. Thanks!**
