What a fabulous half term we have had! It has been a pleasure and a privilege to walk around school, witnessing our exciting curriculum coming to life and seeing children actively engaged in their learning. It's lovely to see children taking a pride in the work they produce, and sharing one another's successes. Three cheers for our Roseberry family! Mrs Channing 

## Celebrating Cultures!

This week, children across the school have been learning about Christianity and Judaism. They have learned about places of worship (Mrs Davies class thoroughly enjoyed a tour of Christ Church with Reverend Peverell!), special symbols and religious stories. They have researched Saints and looked at the role art plays in religion. The results of this week are absolutely stunning, with children's beautiful work displayed in a Celebrating Cultures exhibition in the lower school hall. Please check class blogs and Teams pages to see this amazing work for yourselves. I feel so very proud of the standard of work that has been produced and the enthusiasm that children have shown throughout the week. Just when I think we can't get any better, children and adults surprise me! Well done, everyone! What a great end to this half term.

## Roseberry Academy Friends & Teachers

R.A.F.T

Roseberry Academy Friends and Teachers held their Annual General Meeting this week. It was lovely to reflect upon last year's success and plan fund raising events for this academic year. What a team!

## Home discussion question

Stan asked...

Would you rather be stranded on a desert island or in outer space?

## Lunchtime Award

This week, our lunchtime award goes to Harry Lindo. He is polite, well mannered and always does the right thing. What a poppet!

## SAFETY NOTICE

Please do not ride bikes or scooters down the middle of the road, children!

## A HUGE Harvest thank you!

Thank you to everyone who donated produce to our Harvest collection today. It's lovely to know that your kindness will help others who are in need.

I hope that you enjoyed our assembly on Teams - didn't the children do well?!

## IMPORTANT! My Child At School app

Please note that after the half term holiday, children will need to be booked into Breakfast Club (and payments made) via the My Child At School App. This can be done at any time - places may be booked on the morning that you need your child to attend. Meals will also need to be ordered via the app a week in advance. Even if your child has free school meals or infant universal free school meals, you will still need to order from the online menu what they would like to eat, a week in advance, so that the kitchen may order the correct amount of food. Log in details will be emailed to you today so that you may set up the app and order meals before 1st November!

Act of  
Kindness

This week's  
award goes to Finley  
Ward. His friend was upset  
about their writing. Finley  
looked at him and said, 'I  
think your writing is lovely.'  
He then turned to Mrs  
Gilpin and said, 'We don't  
have to get it right; we are  
just practising.' What a  
kind and thoughtful boy!  
Well done, Finley.

Let's encourage our children to be healthy!

Please remember that we encourage Key Stage Two  
children to bring a cereal bar or fruit for a breaktime  
snack - please do not send crisps, sweets, chocolate or nuts into  
school. Children in EYFS and KS1 receive fruit every day through  
a Government initiative.

If children have grapes as their snack or in their packed  
lunch, please ensure that they are cut in half to reduce  
the risk of choking. Many thanks!

Important November dates!

- 1st - Return to school
- 5th - RAFT cake sale after school
