**Home discussion question**  
**Stan asked...If you could make a wish for the world, what would it be?**

*We've had a lovely week! On Tuesday afternoon, I met with some of the children in Years Five and Six who demonstrate exceptional attitudes to learning. We talked about the work in their class Learning Journey books and how they relate what they are learning now to what they have learned in the past. What super learners they are !*

### My Child At School (MCAS)

Thank you to everyone who has logged into the My Child At School (MCAS) app. Visits, enrichment activities, Breakfast Club and school-run clubs (not those run by external providers) may be found via the menu on the left hand side of your child's MCAS dashboard. Please remember that you need to book your child's place for Breakfast Club and school-led clubs, making payment for these online.

#### Important!

In order to ensure our kitchen orders the right amount of food, meals need to be ordered via the MCAS app a week in advance. Once the deadline for ordering has passed, the ordering option will be locked and you will have to send a packed lunch instead.

**If you would like your children to receive meals during the week beginning 22nd November, these will need to be ordered by 14th November, using the My Child At School app. Thanks!**

### **Three cheers for bouncy Pippa!**

We are always excited to hear of children's achievements and, this week, I was delighted to hear of Pippa Rowan's trampolining success. Last weekend, she took part in her first trampolining competition and gave two amazing performances, resulting in a GOLD medal! What a superstar!

### **Learning is fun - don't miss out!**

Please make sure you are in school on time, children and remember that lessons start at 8.55am! If you turn up late, you may have missed important information given at the start of the lesson that will help you with your learning. It's much better if you come to school on time every day. That way, you'll be settled, relaxed and ready to learn. Unless, you're too poorly to attend, you should be in school every day. We've missed lots of learning due to Covid, so it's really important that we don't miss any more. Even if someone in your household has Covid, you can still come to school.

### **A VERY proud moment!**

On Wednesday, our Enquire Learning Trust CEO, Mr Holmes, visited us to learn about the curriculum we have in place for our children from Nursery to Year Six and to see examples of beautiful work. I felt so very proud sharing class Learning Journey books with him, as these demonstrate the journey through learning that children in each class have travelled in each topic, through a display of beautiful work. We both agreed that the work children produce is of *exceptionally* high quality - it is *stunning!* I felt so very proud of the hard work of our Roseberry family.

### Jack and the Beanstalk

On Monday morning, the pantomime visited us! Our school family joined together to watch a fabulous, and very funny, performance of Jack and the Beanstalk. It was lovely to see children transfixed, laughing and singing along with the cast.

Children's behaviour was exemplary - the cast members said they were very impressed! What a great way to start the week!

During our act of Remembrance on Thursday, we silently sat and made wishes for a peaceful world. Children's behaviour was outstanding as we listened with respect to the following verse:

*They shall grow not old, as we that are left grow old:  
Age shall not weary them, nor the years condemn.  
At the going down of the sun and in the morning  
We will remember them.'*

### Children in Need

On Friday 19th November, we will be raising money for Children in Need. For a donation via My Child At School, children may come to school dressed in non uniform. Teachers are busy planning activities to do in their classes.

### Important November dates!

**15th** - Anti bullying and celebrating differences week begins. **Please wear odd socks today!**  
**19th** - Children in Need non uniform day (charity donation pay point will be set up on My Child At School app - please don't send money in!)

**Please remember to let us know straight away if your child has symptoms of Covid, or tests positive for Covid. Thanks!**
