Home discussion question
Stan asked...Is being different okay? Why?

What a super week we have had! It's lovely to see children coming into school with smiley faces. The learning opportunities that adults plan for children are engaging and fun, based upon prior learning so that children may make connections with their learning and across subjects. The work that they produce is beautiful - well done, children! Mrs Channing

Act of Kindness

This week's award goes to Abigail Smith and Lyra-Beth (Ra-Ra) Simpson for being brilliant friends to others. Well done, girls!

Lunchtime Award

This week, our lunchtime award goes to Mollie Bradshaw, Charlie Harrison and Abigail Fisher. Well done, folks!

Celebrating differences!

This week, we have been thinking about differences and agree that the world would be really boring if we were all the same! We started the week with an assembly about autism and then went on to learn about different disabilities. We also learned about different families and that they are all special.

My Child At School (MCAS)

Important!

In order to ensure our kitchen orders the right amount of food, meals need to be ordered via the MCAS app a week in advance. Once the deadline for ordering has passed, the ordering option will be locked and you will have to send a packed lunch instead.

If you would like your children to receive meals during the week beginning 6th December these will need to be ordered by 28th November, using the My Child At School app. Thanks!

Roseberry rights!

Every day, we try hard to ensure that the behaviour of our school family enables our expectations for all children to be met:

Everyone in our school family has the right to be safe.

Everyone in our school family has the right to learn.

Everyone in our school family has the right to feel valued and respected.

Everyone in our school family has the right to be happy.

Watch out, there are bugs about!

Please make sure that you continue to wash your hands regularly, children, especially before eating. There is a sickness bug circulating within our school family, as well as worms! Please could adults remember that, if children have a sickness bug, they must stay away from school until 48 hours after their last bout of sickness or diarrhea to ensure that they do not contaminate others. Although we love to share at Roseberry, we don't want to share sickness bugs!

A thank you message from Miss Tucker

Thank you to everyone who has sent plastic bottle tops into school. Please continue to do so until 3rd December. Please note that we do not need the lids from washing up liquid bottles.

Please remember to let us know straight away if your child has symptoms of Covid, or tests positive for Covid. Thanks!

Important December dates!

6th School closed!
14th Years 3,4,5,6 Christmas parties
15th Christmas dinner
16th EYFS, Y1, and Y2 Christmas parties
17th Roseberry and Marwood carol service (on Zoom)

We have made the decision that, in order to try to keep everyone safe, our Nursery / EYFS and Y1/Y2 Christmas productions this year will be filmed for families to enjoy, rather than having a hall full of people.

Absences

Please remember that holidays during term time will not be authorized and may incur a Local Authority fine as well as being recorded as unauthorized absence on your child's school record. Children have already missed an inordinate amount of time as a result of the pandemic. Lost learning can affect children's academic progress and their confidence and so we are working hard to ensure that gaps in learning as a result of lockdowns are addressed. However, children need to be in school in order for us to do this. Thank you for your support!

Global Council Top Tip:

Use a re-usable drinks bottle wherever possible rather than buying a drink in a plastic bottle or carton.

Children in Need

Thank you to everyone who supported Children in Need today. It was lovely to see children dressed in non uniform for a day - it was very colourful, indeed! We had lots of fun during our celebration assembly, singing silly songs. Children had a lovely afternoon of fun activities, too - thank you to the grown ups in school who planned these! It's lovely to know that our donations will make such a positive difference to the lives of others. If you haven't made a donation and would like to, please go onto the clubs section of the My Child At School app to pay online!
