GOOD MANNERS and KINDNESS ARE ALWAYS IN FASHION

When I was growing up, my mum had a saying that 'manners cost nothing' and she was absolutely right! It has been lovely to see children demonstrating their lovely manners this week, from saying please and thank you to opening the doors for one another. Children are saying 'pardon' rather than 'what?' and, when I ask children how they are, some of them answer with, 'I'm very well, thank you, how are you?' What polite children!  Mrs Channing

Generosity that could save lives!

I am delighted to announce that Great Ayton Freemasons have kindly donated £450 towards our defibrillator secure cabinet. This, combined with £60 from RAFT, £60 from Harry Wright (an ex pupil of Roseberry Academy who donated his pocket money savings) and £37 from Royal Oak customers will enable us to purchase the box. Once installed, it will enable members of our local community to have access to our defibrillator during times of school closure.

What a great example of our community working together!

On time for school!

I've seen a pleasing reduction in the amount of children arriving late for school this week. Well done, everyone!

Lunchtime Award

This week, our lunchtime award goes to Abigail Smith and Charlie Murray for having super clean trays at the end of lunch time!  

Stop! Think! Be safe!

Recently, some children found a World War Two gun in the allotments. Rather than leave it, they took it home. Luckily, it wasn't a working gun, so wasn't dangerous, but it *could* have been.

If you find something that looks dangerous, children, please don't touch it. Instead, leave it where it is and go and tell an adult what you have found.

Stop! Think! Be safe!

Home discussion question

Stan asked...
Would you rather have the power to see anything in the world or the power to hear anything in the world?

Global Council Top Tip

There is a super article in the latest edition of Spire, the Magazine of the Church of England in Great Ayton with Easby & Newton under Roseberry Parishes.

The article is written by Mr and Mrs Jaques and is all about bamboo and it's many uses.

Did you know that you can buy socks, toilet paper, cutlery and toothbrushes made from bamboo?

Bamboo is a very earth-friendly material to grow, process and use. Why not opt for a bamboo toothbrush, rather than one made from plastic?

Act of Kindness

This week, this award goes to Luca Sharp for being a forgiving friend. It also goes to Archer and Darcey Osborn, for being kind to animals.  

D.F Motors

Motor engineers Est 1965 A family business that cares

- *Free pick up and delivery
- *Service and pre-MOT for all types of vehicle, including hybrid and electric cars
- *Approved auto-diagnosis centre
- *Ford and Peugeot parts always in stock
- *Specialists in VW, Audi and Skoda servicing
- *Tyres, batteries, exhausts etc supplied
- *Bosch air conditioning specialist

Station Yard, Great Ayton, TS9 6HJ 01642 722106 www.dfmotors.net

Mrs Fletcher will soon be starting a KS2 lunch time vocal group! How exciting!

Vacancy

We still have a vacancy for a Midday Supervisory Assistant. This is a great opportunity to join our lovely Roseberry family. Please visit the vacancies page of our school website for more information: www.roseberryacademy.org

School meals

Please remember that you must order your child's school meal via the My Child At School app, even if you don't have to pay for their meals. If your child does not have a meal choice entered, we expect them to have a packed lunch with them, please.

On Monday morning, office staff had to contact 23 parents to request that they complete their child's food choice, as there was nothing chosen and their children did not have a packed lunch with them. I'm sure you will appreciate how long this took to do! I felt very sorry for our lovely office staff!

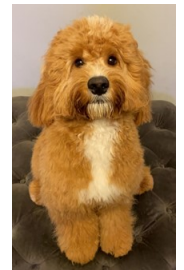

If you are struggling to log into and use the My Child At School app, please let us know and we'll be more than willing to help you.

Clubs

Football team (free)	Wednesday 3.20pm - 4.20pm Mark Shimwell	Years Five and Six

Football (Charge applies)	Friday 3.10pm - 4.30pm Mark Cromack	Years Three to Six

What has Toby been up to this week?

On Tuesday, Toby visited our nursery children. The children asked Miss Thompson lots of questions about looking after Toby and each of them gave him a little treat. The children were very gentle and Toby was extremely well behaved. Toby also enjoyed looking at children's beautiful work this week when they visited me in my office. He wagged his tail to let them know that he was impressed! Toby is like us, as he loves to learn. He is now able to sit and offer his paw, and even waves goodbye! He loves being a member of our Roseberry family.

Road safety is SO important!

This week, I saw two children run across the road without looking, and one child run into the road to fetch a letter that had blown away. Luckily, there were no cars driving on the road and so nobody was harmed. If there had been cars driving along Roseberry Crescent at the time, the outcome could have been very different. During assembly on Tuesday, I reminded children of the Green Cross Code, a simple guide to keep you safe on the roads, and asked them to promise to be safe whilst near roads.

Find a safe place to cross – where there is a crossing nearby, make sure you use it. Otherwise make sure you choose a place where you can see everything on the road and everyone on the road can see you!

Stop just before you get to the kerb – do not get too close to the traffic and make sure you can clearly see everything. If there is no pavement, keep back from the edge of the road whilst still making sure you can see approaching traffic.

Look all around and listen for traffic – traffic can come from any direction. Make sure you listen as well as look because sometimes you can hear traffic before you see it.

If a vehicle is coming, always let it pass, then look around again – do not cross until there is a safe gap in the traffic and you are certain there is plenty of time. Even if traffic is a long way off, it may be going very fast.

Finally, if all is clear, you may cross – when there is no traffic near, walk straight across the road, and **always keep looking and listening for traffic** as you cross.
