*This week, Mrs Murton and I attended an educational conference. We thought about the impact that the pandemic has had upon people's emotional health and children's social and emotional development, reflecting upon how well we meet the developmental needs of our children. We agreed that we feel very proud of the provision we have in school and are looking forward to implementing the bespoke mindfulness programme we have commissioned. We reflected upon the amazing work that our Family Mentor, Lesley, carries out and the amazing relationships within our school that make us a family. Roseberry really is a special place to be!*

## Act of Kindness

This week, Elliot McLuckie has been nominated for this award by Hattie for being a good friend and talking to someone when they felt lonely. Mrs Jackson has nominated Theo McLachlan for noticing his friend was upset because he'd lost his money and then lending him some to purchase a red nose!

## Helping our global family

We would like each class to raise money for the people of Ukraine. If you have a simple fundraising idea, please let your teacher know!

Please book your child's meals via MCAS before Sunday!

## Home discussion question

**Stan asked...**

*If the words that you said to others were on a cloud above your head, would you feel proud of what people could see?*

Following on from the appeal to support refugees from Ukraine, Mrs Walton visited My LockUp in North Ormesby where some of the items you donated were sent.

They are still collecting items which may be dropped off at any of the My LockUp branches. Items needed are:

- First aid
- Sleeping bags
- Dried and canned food
- Cat and dog food (dried and canned)
- No clothing - thank you

Helpers are desperately needed to sort and box the items as well as car and van drivers to collect donations from their branches in Middlesbrough, Darlington and Thirsk and take to the Northallerton Warehouse.

If you are able to help in any way, please contact Anita Lee 07818 671631

### What has Toby seen this week?

Today, Toby was entertained by watching children across the school taking part in Mrs Davis' Red Nose Day silly sports sessions! The children had a great time and it was lovely to hear so much laughter echoing around the hall!

Toby has also enjoyed listening to children from Mrs Davies class, Miss Burley's class and Mrs Weyell/Mrs Charlton's class practising their play, which everyone is looking forward to seeing!

# RED NOSE DAY

### Thoughtful neighbours

On behalf of our school family, I would like to say a huge thank you to Mr McDine and Ms Holburn for their kind donation of a sewing machine, following the sad loss of Mrs McDine. It was so thoughtful to think of us during such a difficult time.

### Football news!

I am delighted that Mark Shimwell has, once again, arranged for our football team to take part in another inter schools match. Mr Moore was on the side line, cheering Roseberry on after school on Wednesday, and was VERY impressed with our players. The final score was 10-9 to the opposing school. Well done, folks! You were fabulous!

### Tracking children's progress

We constantly track children's progress in all areas of the curriculum to ensure that they make the progress expected of them in relation to their prior learning. Following our recent round of assessments, teachers have met with me to discuss children who may be struggling with learning, or have gaps in their understanding.

We have planned for these children to have additional support, either within class, with our tutor, Mrs Weyell, or in small groups with one of our superb Teaching Assistants. If your child has been identified to receive additional support, their child's teacher will inform you of this during Parents' evening.
