One of the many things I love about Roseberry is that we are a family. We care for one another and work together as a team. Relationships within our school community are really positive and it was lovely to pop into classrooms during Parents' and Carers' Evenings this week to hear teachers sharing feedback about children's learning and development. Thank you to everyone who attended. If you didn't manage to speak to your child's teacher, please don't hesitate to contact them to make an appointment! Another thing that makes me feel proud is the way in which our Roseberry family cares about the environment. Yesterday and today, children across the school took part in an Environmental Day, planned by Miss Tucker and our Global Council. This included a whole school piece of art work, produced by using single use plastic, to raise awareness of the impact plastic is having upon our natural world. We all agree that it's so important that we protect our planet for future generations. Mrs Channing

Act of Kindness

This week, Daniel Fisher has been nominated for this award for giving another child his red nose to cheer them up. It also goes to Lilly-Mae Parker for being a kind and caring friend.

Lunchtime Award

This week, our lunchtime award goes to Etta Wisniewski, Harry Wilson and Darcie-Rose Savvery.

Baby news!

I am delighted to inform you that we have another Roseberry baby on the way!

Mrs Davies and her husband are very excited to be expecting their second child, due to arrive in August. How lovely!

Please remember to download the My Child At School app so that you receive important messages!

School meals

If you would like your child to have a school meal, this MUST be booked via the My Child At School app at least 24 hours before the meal is to be taken, please.

If your child does not have a meal booked, we expect them to bring a packed lunch from home into school.

Sadly, we still have number of parents who do not book meals or send a packed lunch into school. This means that office staff have to spend valuable time calling parents in order to ensure children are fed (on Monday morning, this took over an hour). If you are unsure of how to book meals via the app, we are more than happy to guide you through the process.

Thank you to everyone who books their children's meals on time!

What a smart pooch!

Toby is very proud of his new haircut! Here he is with his red nose, which he wore all day last Friday for Comic Relief!

Toby would like to say a big, woofy, thank you to everyone who bought a red nose!

Behaving beautifully in and out of school

Some of the problems we deal with in school are the result of children's behaviour in the park or online. Please remember, children, that we expect you to behave as well outside school as you do when you're at school. We know that we are judged by what we say and what we do. Let's make sure that people see you as well behaved, polite and caring members of our Roseberry family, whether you're in school, at home or in our village.

MIDDAY SUPERVISORY ASSISTANT VACANCY
