We've had a week of superb learning and practising! Congratulations to our Year Six children who have tried their best and shown great maturity and resilience during practice SATs tests this week. They now know what to expect in May, when SATs tests take place and we know they'll do their very best. It's been lovely to hear children singing in the hall as they have practised their performance of The Pied Piper. I can't wait to see it! Mrs Channing 😊

Thank you to everyone who has booked their child's meals via the My Child At School app! 👍

## Thank you, RAFT!

We would like to say a HUGE thank you to RAFT for providing new play equipment for our children. It's lovely to see children actively engaged with a variety of games whilst on the playground!

## Roll up! Roll up! It's our RAFT Teacher Treasure Hunt!

**Roseberry Academy Friends & Teachers**

R.A.F.T

On Wednesday 6th April, from 3.30pm until 4.15pm, teachers will be hiding in shops and businesses around the village for children to find during our annual Teacher Treasure Hunt. It's not as easy as it sounds though, folks, as teachers will be in disguise! Clue sheets cost £1 from Roseberry Academy Friends and Teachers (RAFT) members who will be located in the Royal Oak pub. Every child that completes their clue sheet and returns it to the RAFT members in the Royal Oak at the end of the hunt will receive a chocolate egg! Please note that children MUST be accompanied by a adult to take part.

## Act of Kindness

This week, our award goes to two children. Joey Morgan has been nominated by Elsa for being kind to her.

Jenson Spencer-Crabb has been nominated by Tom Speight for being kind at Cubs. How lovely!

Please remember to download the My Child At School app so that you receive important messages!

## Lunchtime Award

This week, our lunchtime award goes to Joseph Twomey. He has been a superstar at lunch time and should feel very proud of himself!

## Home discussion question

Stan asked...

*If elephants ruled the world, what changes would you see?*

## What has Toby seen this week?

Toby is very impressed with the art installation that was created during our Environmental Day last Friday. It's not quite finished, as we need some more plastic bottle tops. If you have any black or yellow bottle tops, please could you bring them into school after our Easter break? I know that the Global Council and Miss Tucker will be delighted to receive them!

Toby has really enjoyed watching Year Six children reading with their Year One reading buddies. He loves to hear older children guiding and encouraging their younger peers and is very impressed that Year Six children give up their lunch time to help others.

### Manners are free!

There's nothing we like more than well mannered, polite children. We are lucky that we have lots of them within our Roseberry family!

### Global Council Top Tip

Use your empty milk carton as a watering can (but don't forget to wash it, first!).

### Supporting one another through difficult times

In the front entrance of our lower school building, we have a 'Share What You Can Share' box where donations of food and household items may be left. These donated items are shared with families who are finding it hard to make ends meet.

Thank you to everyone who has shared what they can spare.

If you feel your family would benefit from receiving some of these items, please let Mrs Channing or our Family Mentor, Lesley, know. We will also be able to signpost you to local food banks, should you need help.

We care about every member of our school family - please don't be worried or embarrassed about coming forward if you need help or support during tough times.
