Last week I received a lovely email from a parent, highlighting how one of our children had gone to another child's aid when they fell over outside of school. I am so proud of the children in our school family who genuinely care about others, showing compassion on a daily basis. I also feel extremely proud when I see and hear children using lovely manners. During SATs week, it's worth us all remembering that a person's character cannot be judged by tests and exams - it's what we do each and every day that makes a difference to others that truly demonstrates who we are.

## Roseberry Academy Friends and Teachers (RAFT)

The next RAFT meeting will be held on Monday 9th May at 5pm in the lower school staffroom. During the meeting, we will talk about the money that has been raised so far and what it has been spent upon, as well as future fundraising events and suggestions for future spending. RAFT meetings are friendly and informal and a great way to meet new people, as well as sharing ideas, skills and thoughts. We are always happy to welcome new people - why not come along?

## Global Council Top Tip

Why not use a reusable cup rather than throwing paper cups away?

## Happy Birthday, Toby!

Toby celebrated his first birthday last weekend. He had a lovely time and was very clever, opening his presents all by himself!

## Year Six SATS

Next week, Y6 children will sit national SATs tests. Please don't worry, children. All you need in order to succeed is a good night's sleep, a healthy breakfast, a settled start to each morning (including arriving to school on time) and a great attitude!

## Lunchtime Award

This week, our lunchtime award goes to Harry Fox and Harry Thornton.

## Home discussion question

Stan asked... How have you enabled others to feel valued and respected this week?

## School rules

This week, we have been focusing upon the following rules in school:  
Everyone has the right to learn.  
Everyone has the right to feel valued and respected.

## Act of Kindness

This week our award goes to Ted Lanceley, Alyssa Johnston and Lilly McLuckie for helping younger children both in and out of school. How lovely!

## Thank you!

Thank you to Danny and Sophia's uncle for his very kind donation of various electrical equipment for our school, including a set of disco lights!

### Engaging activities to launch our new topics!

On Friday last week, Mrs Davies' class welcomed a visitor into school to deliver an African drumming workshop.

The sound coming from the hall was amazing and very loud, indeed! Toby even tried to woof along to the beat! What a great way to start a topic!

### Please be safe!

We have noticed that some children are still riding their scooters in the middle of the road, or weaving in and out of parked cars. This is dangerous! Please be safe, children. You are very precious.

We have also noticed cars parked on the pavement and across residents' driveways. Please park with care in order to keep everyone safe and happy! Thank you.

### Unwelcome visitors!

This week, we have had headlice in school. Please ensure that you check your child's hair regularly (they love clean hair!) and treat lice accordingly - our local chemist will be able to offer you advice regarding this. Thank you!

### Don't miss out on important information!

Please remember to check your child's class Teams page regularly, as well as MCAS notifications and emails. This is the way that we communicate important information with you!

### Thank you!

Thank you to Mrs Channing's mum for buying books for our younger children. We are sure they will enjoy reading them!
