Year Six

We are so lucky to have such supportive parents within our school family. Thank you to members of RAFT, who give their time willingly to raise money in order to buy special extras for our children (including subsidizing the cost of school visits). RAFT has agreed to part fund a set of Boogie Bounce trampettes, which we will use for Golden Time and during PE, as well as paying £500 for enrichment experiences for the whole school. If you would like to help with events or managing stalls (RAFT will have a stall at the Village Fete this year), we'd love to hear from you!

R.A.F.T

Thank you to RAFT members for a great meeting on Monday evening. RAFT will be holding a cake stall on Friday 27th May at home time, in the lower hall. They would be grateful for donations of cakes from Nursery, EYFS, Year One and Year Two children. Please bring donations to the lower school front entrance between 8.45am and 9am on Friday 27th May - they'll be gratefully received!

Global Council Top Tip

It's 'No mow May' where people are encouraged to leave a patch of grass in it's wild state to encourage the growth of natural flowers and weeds. This is great for pollinators such as bees and butterflies!

Well done, Year Six!

Congratulations to our amazing Year Six children for their focus and resilience this week.

They approached their SATs papers with positivity and determination, allowing us to feel very proud, indeed. Thank you to Mr Thompson and Mr Cutler, members of Enquire Learning Trust governance, for giving their time to oversee the administration of SATs tests each morning.

Thank you!

We'd like to offer HUGE thanks to Joseph and Saoirse's mum, who has raised £100 to donate to our Gardening Club. How very kind!

Lunchtime Award

This week, our lunchtime award goes to Liam Caveney for tidying away all of the play equipment without being asked to do so!

Is your child eligible for additional funding?

Did you know that if your child is entitled to benefits related Free School Meals, or they are adopted, fostered or have a parent in Her Majesty's Armed Forces, we are able to claim additional funding for them?

This funding is called Pupil Premium and we are able to spend it on things such as additional earning support and resources, and subsidizing Breakfast Club and after school clubs. Please let us know if you think your child may be eligible for this additional funding. Every little helps!

Home discussion question

Stan asked...

Why is it important that you check your class Teams page on a regular basis?

Act of Kindness

This week our award goes to Chloe Swales and Evie Bint, who have been nominated by other children for being kind, caring and helpful.

Teachers are still collecting £2 voluntary contribution per child for their class Jubilee planter!

Congratulations to Charlie Atkins, who won overall winner at Stokesley golf course on Sunday. He is also taking part in The Northern Junior Golf tour, where he will play on various courses within the North Yorkshire region, with the chance of qualifying for the grand final in August! He's doing amazingly well, thanks to taking part in the tiger academy in Stokesley and the guidance of his supportive coach James Atthey.

Sports Morning!

We are delighted to invite family members to our Sports Morning on Friday 20th May from 9.15am until 12.00.

Please make your way to the field and feel free to follow your child's class around the activity course to see them take part in a range of events. Please ensure that you don't call your child away from their class - they need to be with their teacher at all times.

Please ensure your child has their school PE kit (dark shorts, trainers and white / team coloured t-shirt).

Please note that there is no smoking / vaping allowed on site. There will not be a refreshment stand this year, as our staff will be busy supervising children and RAFT members will be busy watching their own children, so please feel free to bring a (non alcoholic) drink with you! HUGE thanks to John Hornby for agreeing to provide the music!
