Alice Wilson  
Luca Sharp  
Chloe Swales  
Joey Morgan  
Izzy West  
Fraser Austin  
Molly Rathbone

## Half Term Heroes

Guinevere McManus  
Elsie Black  
Abigail Fisher  
Hannah Smith  
Charlie Pell  
Mia Swales  
Hanni Fussey  
Daisy Broomhead  
Eve Archibald

## Home discussion question

Stan asked...

Why is there a polar bear standing at the front entrance of our school?

*\*Answer overleaf!*

*It has been lovely seeing children learning through fun and producing truly beautiful work throughout this half term. Staff have also been working hard behind the scenes to plan the enrichment part of our curriculum, which will be implemented in September. I can't wait to see it in action!*  
Mrs Channing

## **A new member of our Roseberry family!**

I am delighted to inform you that, following a very thorough and robust interview procedure, we have appointed Miss Sherwood as Year Four teacher from September until July, covering Mrs Davies' maternity leave.

I am sure the children will thrive in her care and enjoy learning through fun, rising to the challenge of meeting her high expectations. She may even teach them some Irish dance moves!

## **Scrummy cakes!**

Thank you to everyone who donated cakes for today's RAFT cake stall. Thanks also to everyone who bought cakes - I'm sure they didn't last long, as they all looked delicious!

## **What has Toby seen this week?**

Toby has enjoyed seeing our Exhibition of the beautiful work produced during our Celebrating Cultures week.

He has also been impressed by the gorgeous Jubilee planters that each class has made. These are located at the front of each school building. What a lovely way to mark such a special event in our country's history.

## **Lunchtime Award**

This week our lunchtime award goes to Bella Castro-Peacock and Joseph Wilson for their beautiful manners!

Thank you to our fabulous kitchen staff for our superb Jubilee lunch! It was scrumptious and very well received!

## **Act of Kindness**

This week our award goes to Amelie Jack for being kind. Children have also nominated Tyler Morgan and Elsa Hornby for being brilliant friends to others. How lovely!

## **James' carting success!**

James Pybus is an absolute superstar! He thoroughly enjoys Bambino carting classes, beating his personal best each time he drives! James has already earned three medals and is now aiming for his first trophy. What a speedy superstar!

## **D.F Motors**

**Motor engineers Est 1965 A family business that cares**

\*Free pick up and delivery \*Service and pre-MOT for all types of vehicle, including hybrid and electric cars  
\*Approved auto-diagnosis centre \*Ford and Peugeot parts always in stock \*Specialists in VW, Audi and Skoda servicing  
\*Tyres, batteries, exhausts etc supplied \*Bosch air conditioning specialist

Station Yard, Great Ayton, TS9 6HJ 01642 722106 www.dfmotors.net

**Unwelcome guests!**

This week, we have had a case of worms in school. Please remind your child to wash their hands and look out for them having an itchy bottom. Please don't worry, worms are easily treated with a quick trip to the chemist for advice and medication (please note that it is recommended that the whole family is treated).

**Thank you!**

Thank you to everyone who has donated a bottle for the RAFT stall at the village Jubilee fete, to be held on 4th June. Thanks also to the parents who have offered their time to manage the stall.

**THE POLAR BEAR'S LAST STAND.**

Did you know?

The Arctic is warming about twice as fast as the global average, causing the ice that polar bears depend on to melt away. Loss of sea ice also threatens the bears' main prey, seals, which need the ice to raise their young.

Global warming is believed by many to be the result of greenhouse gas emissions. If these emissions continue at so-called 'business as usual' levels, polar bears may be extinct by the end of the century.

Our art installation at the front of our school aims to raise awareness of the problem of single use plastic (SUP) waste in our environment.

The production process of plastic is a big contributor to greenhouse gases in the environment.

Our polar bear is stuffed with SUP that has been collected from the School Fruit and Veg scheme for one school year. Whilst this scheme is fantastic because it provides fruit and veg for all KS1 children in England, the fruit is, unfortunately, delivered in SUP bags. Our Global Council wrote to the scheme providers, and also Rishi Sunak MP, to highlight the problem and ask for change.

**SCARY STATISTICS!**

Our school (average size school) receives approximately 1440 bags per year.

There are approximately 16600 schools in the scheme which = 23,904,000 SUP bags produced. The scheme has been running for 17 yrs which = 406,368,000 SUP bags in our environment.

It takes 1,000 years for a plastic bag to degrade in landfill. Sadly, the bags don't break down completely, but become micro-plastics which absorb toxins and continue to pollute our environment.

Thank you to our children and Miss Tucker for creating the polar bear that will make us stop and think!

**Important dates for your diary**

**JUNE**

6 <sup>th</sup>	Staff training day: - no children in school
7 <sup>th</sup>	Children return to school
8 <sup>th</sup>	9am – 10.30am School photographer in
