*What a wonderful week of learning we have had! Children have enjoyed being introduced to their new topics and are excited about the learning experiences their teachers have planned for them. Congratulations to our Year One children who tried so very hard during their phonics tests this week - what superstars they are! Mrs Channing*

## **Thank you, RAFT!**

I'd like to offer HUGE thanks to our amazing RAFT members (and their children!) who raised a whopping £420 on their stall at Saturday's fete! Thank you to everyone who donated bottles, Jake, Jess and Joe's grandad for making the splat the rat game and members of our Roseberry family who came along to support RAFT today. We are so very lucky to have such amazingly dedicated and supportive parents within our school family!

## **What has Toby seen this week?**

Toby was very excited this week to show us his new haircut - doesn't he look smart?!

Toby was delighted to meet Suzie from the Dogs Trust, who thought he was very cute and well behaved! She visited us on Thursday to talk to the children about how to look after dogs and behave

safely around them. She gave helpful advice about how to ask for a dog owner's permission before stroking their dog, as well as what to do if a dog that we don't know runs towards us. We were surprised to learn that dogs sometimes feel uncomfortable if they are hugged and cuddled. They much prefer being gently stroked instead!

## **After school clubs**

If you would like to run an after school club and are happy to go through DBS clearance, please let us know!

## **Lunchtime Award**

This week our lunchtime award goes to  Tom Speight,  who has helped to clear away trays without being asked to do so. Some of the children have also nominated our fabulous lunch time staff for doing a fantastic job of keeping everyone happy, safe and fed during each lunch time!

## **Act of Kindness**

This week, Etta Wisniewski and Evelyn Rice have been nominated for being great friends to others.  Our award also goes to two of our Year Six boys who demonstrated kindness and citizenship during the holiday. When Alfie Bunn and Ted Lanceley were in the village, they found a mobile phone in a wallet. They immediately took it to Alfie's Grandma to ask what they should do. They then set about trying to find the owner, which they did with success, resulting in her items being returned to her. The lady was extremely grateful, as the wallet also contained her credit cards. Well done, boys!

## **Home discussion question**

### **Stan asked...**

*Why is it important that we wash our hands after playing with our animals?*

## **Bag2School thanks**

 Thank you to everyone who donated unwanted clothing and bedding to our Bag2school collection. We raised £156.80 to go towards funding a new trim trail!

### Team Point winners!

You may have noticed some children coming to school dressed in non uniform today, wearing items of yellow clothing instead! This is because the Discovery House Team (yellow) earned the greatest amount of team points last half term. Our new reward for being the winning team is to come to school dressed in non uniform for a day, as long as children wear something that represents the colour of their team.

Three cheers for the Discovery House Team!

### An assembly full of celebration!

Every Friday morning, we have a celebration assembly which consists of various awards: Pupil of the Week, Act of Kindness, Lunchtime Award, Captains' Choice (team captains rewarding children who sit beautifully during assembly), Reading Awards, Scores on the Doors (teachers award their class for manners, behaviour and attitude to learning), Team Points and birthdays.

Today, we also shared the many successes of children who have achieved awards outside of school. We felt very proud of them, indeed!

Harley Austick and Ava Austick: Horseriding

Lilly-Mae Parker: Gymnastics  
Hannah Van Loo: Gymnastics

Felix Lambert and Jude Greenwell: Scouts Silver Award

William Hoggarth: Completion of swimming crash course

Robert Clemmit, Lincoln Clemmit and Courtney Clemmit: Edinburgh Marathon Festival

Jake Dumphy-Brook: Football

Daniel Fisher: Orange belt in Karate  
Well done, folks!

### Holidays during term time

Please remember that, unless there are exceptional circumstances, holidays taken during term time cannot be authorised. Holidays taken without permission granted are classed as unauthorised absence and penalty fines may be served. Please don't call to say that your child is ill if they are on holiday, as this puts them in a very uncomfortable position when they return to school, especially when their friends talk about the photos they have seen of them via Facebook!

If your child has an upset tummy, they must stay away from school for 48 hours after their last bout of sickness / diarrhoea.

### Our fabulous school family!

We would like to offer thanks to the following members of our school family who gave their time during the holidays to help us with odd jobs that needed to be done:

Ceri Tate helped to paint part of Mrs Weyell's new classroom in preparation for September.

Ceri's son, Danny, assisted our caretaker, Mr Gardner, installing new goalposts on the field. These had been donated by a friend of John Hornby and assembled by Mark Shimwell. What an amazing Roseberry family we are!
