## A lovely visit and a day filled with learning!

Well done to our Year Two children who behaved beautifully during their visit to the Captain Cook Birthplace Museum in Stewart Park yesterday. They had a great day of learning. What a great way to enrich their Land Ahoy topic!

Thank you to the adults who gave their time to supervise the children - we hope you had a lovely day, too!

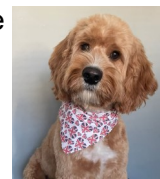

## What has Toby seen this week?

Toby has been amazed by the standard of homework projects that children have brought into school this week and can't wait to see the rest when they are brought into school!

Toby was very impressed indeed when he overheard children talking about their learning. They were talking about predators and apex predators (the predator at the top of the food chain). It actually made him feel very hungry, so he went to ask Mrs Channing for some biscuits!

As Toby has walked around school, he has thoroughly enjoyed looking at the beautiful work that has been produced during this half term. Congratulations to everyone who has worked their socks off to produce outstanding work worthy of display!

Toby has also noticed that there are lots of items of clothing in the lost property baskets. Please make sure that your clothes are labelled with your name so that they are easier to return to you when they get lost!

## Home discussion question

**Stan asked...**  
**Do you know what our school rules are? Here's a clue: What do members of our school family have the right to feel?**

## Welcome to our family!

It was lovely to meet new members of our Roseberry family during the meeting for parents of EYFS new starters this week.

Please remember that no question is unimportant and don't hesitate to contact us should you have queries about transition arrangements and starting school in September!

## No sweets in school, please!

Please remember that we do not allow sweets or chewing gum in school!

## Lunchtime Award

This week our lunchtime award goes to Samuel Davisworth for playing beautifully with a younger child, making sure he had a fun playtime!

## Act of Kindness

This week our Act of Kindness award goes to Jayden Forster-Conlon, Frankie Livingstone and James Cole for choosing to spend their Golden Time collecting litter to make our school grounds look beautiful. Thank you, boys!

Hattie Moor has been nominated by another child for being a fabulous friend. How lovely!

**A message from Etta Wisniewski and Millie Clark about working together to save our natural world**

I know we all love the world, so please don't let climate change hurt our lovely animals, such as the poor Polar Bears who have to suffer climate change. More frequent and intense drought, storms, heatwaves, rising sea levels, glaciers and warming oceans can directly harm animals. People are chopping trees down day by day, which gives the world less oxygen, which is bad for humans and animals. Please take care of our world and make it a lovely place to live. Our world is like a ball suffocating in a bag of rubbish, so please don't drop litter. The future is in our hands if we take control. Care for our world today by not littering and turning the tap off whilst cleaning your teeth. We know we can make the world a better place if we work together.
