On Monday, we hosted visitors from the Enquire Learning Trust who came to see first hand just how fabulous our curriculum is! They were extremely impressed by the learning opportunities offered to our children from Nursery to Year Six and the quality of work produced by children in all subjects. On Wednesday, Miss Burley gave a group of Special Educational Needs Co-ordinators a guided tour of our classrooms to show them how we meet the needs of children who have Special Educational Needs. Again, they were very impressed by our practice and took away lots of ideas for their own schools. I feel extremely proud of our children and staff. Roseberry really is a very special place to work, learn and play! Mrs Channing 😊

End of year reports will be on Teams on Friday 15th July. EYFS, Phonics (Y1) and SATs (Y2 and Y6) results will be sent via My Child At School.

Act of Kindness

This week our Act of Kindness award goes to Ted Lanceley. ❤️

An outstanding performance!

Congratulations to Mr Moore's class and Mrs Murton's class for their excellent performances of 'Jill and Fred's most hysterical historical adventure'. You amazed us all with your talents! Thank you to Mr Moore, Mrs Murton, Miss Tucker and Mr Murton for making this possible. What a great way to celebrate the end of a very busy and successful school year!

Home discussion question Stan asked...

Would you rather have money and no friends, or friends and no money?

Well done to our Year Six swimmers who took part in swimming lessons this week. Some children learned to swim for the first time whilst others perfected their skills!

The Summer Reading Challenge!

Children are invited to discover the amazing science & innovation behind the world around them as part of this year's Summer Reading Challenge with the theme Gadgeteers. North Yorkshire libraries and the Reading Agency is running the challenge for children aged 4 to 11, encouraging them to read six library books over the summer holiday period. To take part children need to sign up at their nearest library. As they read their chosen books, they will receive stickers (some scratch & sniff!) and can use them to help the Gadgeteers come up with great inventions for an amazing summer party. There are more free incentives to collect along the way and those who complete the Challenge will receive a medal and a certificate to celebrate their achievement. There will also be lots of great events in local libraries throughout the summer, including junk modelling, Lego sessions, science workshops, art and craft sessions, storytelling and theatre performances to name but a few! Look out for more details in libraries, on local library Facebook pages and on flyers coming home from school. The Challenge starts on Saturday 16th July and finishes on Saturday 10th September.

Football success!

Huge congratulations to our football team, who won their match against Ingleby Greenhow 10-5. The team played extremely well, with Tobyn Atkin and Luca Hartley scoring hat tricks!

*****Please do not park on the zig zags outside school, even if it's only for a moment!*****

Uniform news!

Thank you to everyone who has donated used uniform to school for other families to use. Don't forget, we have a used uniform shop, where you may pick up a bargain. If you wish to purchase quality second hand uniform, please email Mrs Maylard at v.maylard@roseberrycademy.org

I have noticed recently that some of our older girls are wearing very short skirts. Although they wear shorts underneath, longer skirts are considered to be much more appropriate for school. Please remember that dangly and hooped earrings are not considered safe for school. If your child has pierced ears, please ensure that they wear small studs. Thank you! Finally, there is LOTS of lost property around school. Please encourage your child to check the lost property and take home what belongs to them! Any items left in school at the end of term will be recycled.

Re-Start the Heart

Thank you to Mr Van Loo and Mr Bradshaw for coming in to teach children in Miss Burley's class, Mrs Weyell's/Mrs Charlton's class and Mrs Davies' class how to recognise an emergency situation and perform CPR.

Thoughtful parking!

Please make sure that your scooters and bikes are parked carefully and not on the path, as they are a tripping hazard. Thank you!

Welcoming our new little ones!

It has been lovely to see our September EYFS children coming into school to meet Mrs Barker and see their new classroom for the first time. They have all been very excited!
